Speed Freeway Work

State to Push Freeway Soon To County Line

Bids are to be called within the next few weeks on jobs which will complete Bayshore freeway to the Santa Clara county line.

B. W. Booker, chief of Division IV of the State Division of Highways, said this week that it is hoped bid invitations to contractors interested in paving and widening the portion of the highway from Willow road overpass to the county line can be sent next month. Cost of the job, including a traffic interchange at University avenue in East Palo Alto, is estimated at $1,700,000.

Call fors bids for work on the section of freeway from Bransten road in San Carlos to a point six-tenths of a mile north of Marsh road is also in the works, but is expected to be a few weeks later

Plan Marsh Road Cloverleaf To Serve New Industry Zone

Development of a freeway cloverleaf at Marsh road and Bayshore freeway will include provision for future expansion to serve industries east of the highway, it was revealed this week. Bids for the interchange will be called next month.

A spokesman for the State Division of Highways told the Recorder yesterday that although the initial interchange will be in the form of a partial cloverleaf, provision will be made so that it can be expanded into a full cloverleaf if future traffic warrants it.

Estimated cost of the grade separation approaches—including freeway development six-tenths of a mile north of Marsh road and connection with the already built freeway through Belle Haven—is $1,800,000.

The highway division spokesman said that widening of the roadway under the Southern Pacific railroad's Dumbarton cutoff is one major item which will increase costs; frontage roads will have to be added, also.

According to present plans, the spokesman said, the frontage roads northeast of the freeway will serve industries locating there. Most recently announced one of these is to be a $1,000,000 vodka and split pea soup plant to be operated by the G. F. Heublein and Brothers Co. of Hartford, Conn.

As more industry moves into the area, he indicated, additional ramps will be constructed and the fully-developed grade separation will become a reality.

The spokesman gave no specific date for the call for bids, other than to say it would very likely be published within the next 30 days.

TO PRESIDE AT RODEO

MEET THE QUEEN—Heading Menlo-Atherton high school's contenders in the contest for Queen of the Redwood City Rodeo, July 1-4, is 16-year-old Betty Purvis of Woodside, last Saturday edging three of her fellow students from the local high school. The four top contenders reside in this area. Miss Purvis was chosen queen at a barbecue held at the Mounted Patrol grounds in Woodside.

Preliminary Figures:

Sequoia District Budget Hints At Tax Rate Near $1.50 per $100

Increases in teachers' salaries and an effort to build up reserve funds so that the district will not have to borrow funds from the county may force Sequoia High School District's budget to more than $4,000,000 during the 1956-57 fiscal year.

This was indicated last week as District Superintendent Rex Turner submitted a preliminary budget of $4,026,199. The district would have to levy its full permissive tax rate of $1.50 per $100 assessed valuation in order to raise this amount of money, he added.

The new budget, if adopted, represents an increase of more than $1,000,000 over the current year's total outlay for the district.

Dr. Turner explained that the district's undistributed reserve, under the new plan, will be raised from $60,000 to $425,000 and the undistributed reserve will go from $15,000 to $258,210.

This will eliminate the need for future costly borrowing at the end of each fiscal year, he added.

FORCED TO BORROW

Last year the district had to borrow $650,000 from the county to tide it over until tax monies became available and this year it had to borrow $450,000.

Teachers' salaries will account for $2,013,634 as compared with a figure of $1,695,494 for the current year, and capital outlay and maintenance items are also up.

The trustees adopted the preliminary budget, but will give it additional study before adoption of a final one. Such adoption cannot be final until after figures are made available from the county assessor's office on which the actual tax rate will be based.

A public hearing will have to be held also.

New 'Y' Unit Nets $2200, 164 Members

A membership and fund drive conducted over the past several weeks by members of the Menlo Park Rotary club has netted the new Ravenswood - Atherton-Menlo Park YMCA a total of 164 new members and a total of $2200, it was announced this week.

The announcement came from William R. ("Bud") Kieler, chairman of the new Y unit's board of directors. Kieler added that a general membership meeting will be held later in the summer, at which time proposals for raising more funds as well as getting more members will be discussed.

The unit, known as the RAMS unit, was initiated earlier this year, under sponsorship of the Sequoia YMCA which previously served the entire south county.

The new group hopes to be able to initiate a complete program in the near future, with first projects being pinpointed in the East Palo Alto area where the need for community recreation facilities appears to be the greatest.

Meanwhile, Kieler said, several other area groups have indicated an interest in the growth of the new Y. The chairman himself was a recent speaker before one Menlo Park women's group, which had indicated an interest in joining in some community service activity.

Mark Cotton was chairman of the Rotary club drive.

With Beauty, Poise, Talent:

Area Girls Sweep All Honors In Annual Rodeo Queen Contest

Blonde Betty Purvis of Menlo-Atherton high school Saturday night was crowned queen of the 17th annual Redwood City rodeo before a capacity crowd in the American Legion hall, Redwood City, as area girls cleaned up virtually all honors in the competition.

Betty, a 16-year-old senior and daughter of Mr. and Mrs. Spencer Purvis of 171 Alta Mesa road, Woodside, nosed out the other 21 contestants on two phases of judging, talent and horsemanship, and garnered sufficient points on beauty, scholarship, poise and personality to win the crown and $500 college scholarship.

In second place was Lynne Kramer, also of Menlo-Atherton high school and third was Yvonne Tomasena of Menlo Park, a junior at Notre Dame high school in Belmont.

Hiram King, chairman of the Peninsula Celebration association queen's committee served as master-of-ceremonies and the queen was crowned by 1955 rodeo queen Wardene Miller of Atherton.

For her talent, the new queen displayed eight paintings she had done and also performed a toe dance. Betty has already attained ranks of a commercial artist and also has won numerous awards at horse shows on her chestnut thoroughbred "Two Time."

SECOND PLACE

The second place winner, Lynne Kramer also excelled in the horsemanship phase of the judging and for her talent sang the melody part with a trio. Yvonne Tomasena, third, outdistanced other contestants in scholarship and was only a point behind the queen in talent with her outstanding singing voice which given her the lead in many school and benefit shows.

Fourth place winner, Suzanne Baughn of Menlo-Atherton high school, placed highest in three categories: beauty, poise and personality.

The evening judging was preceded by a barbecue attended by Peninsula Celebration association officials at the Mounted Patrol grounds in Woodside sponsored by the Redwood City Lions club.

The attendants to the queen who will reign along with Betty at the June 30-July 4 rodeo in Redwood City also include, from Menlo-Atherton high school, Carol Warren, Maxine Jope and Judy Warren.

J. C.'s to Pick:

LOCAL QUEEN

Miss Menlo-Atherton is to be selected at Burgess Park pool during judging tentatively set for Sunday, July 8, at 10 a.m.

Any unmaried woman, 16 - 26 years of age, is eligible to compete in the contest, sponsored by the local Junior Chamber of Commerce. Judging will be based 80 percent on beauty, 10 percent on poise and 10 percent on personality.

Applications for the contest are available at the offices of the Recorder, 640 Roble avenue, Menlo Park. Aside from age and marital status restrictions, the only other requirement is that the contestant must have resided in the county for a year.

Miss Menlo-Atherton will be a contestant for queen of the San Mateo County Fair and Floral Fiesta later this summer.

All interested girls have been urged by Ted Burke, Junior Chamber president, to apply for the local contest.

Changes Adopted In Linfield Building Rules

New zoning restrictions for Linfield Oaks' professional - administrative zone finally became law this week.

Under an amendment to the city's zoning ordinance, utilities serving new offices in the zone will have to be placed underground, one offstreet parking space will have to be required for each 200 square feet of floor space and only one occupancy per acre will be allowed.

Under consideration by the city council and the planning commission for the past several weeks, the new restrictions were instituted with the approval of the Linfield Oaks Executives' Association.

Final passage of the amendment took place before the city council Tuesday night.

Fire Commission To Study Budget

Menlo Park Fire District commissioners will give final study to the district's proposed tentative budget for the 1956-57 fiscal year, at their regular July meeting to convene at 7:30 p.m. July 9, at headquarters station.

Council Asks For Advice On New Streets

Menlo Park City Council Tuesday decided to ask the planning commission to consider a link between Willow road and El Camino Real and a similar link from Burgess drive to the highway for placement on the city's master plan.

Such "extensions" of cross-town arteries may be merely lines on a map for many years to come, they agreed.

They also noted that representatives of Stanford University — which owns the land between the highway and the railroad tracks, from Middle avenue to San Francisquito Creek—has indicated it has no present plans for developing the area.

Nevertheless, they said the planners should study the matter and include it with recommendations for a street pattern for Stanford Village, on which the latter body is working at the present time as Stanford Research Institute plans near fruition.

The recommendation for study will be conveyed to the planners "informally," inasmuch as the planners are supposed to initiate recommendations for portions of the master plan.

GILBERT STREET PAVING

Baumann Brothers Paving Co. of San Carlos was Tuesday night awarded the job of paving Gilbert street from Pope street to Willow road. Their low bid of $16,149 for the job, submitted two weeks ago, was above the previous estimate and had to be approved by the state.

In Belle Haven, Willows:

City Passes Half-Way Mark In Acquiring Land for New Parks

More than half the land needed for a park in the Belle Haven area was in city hands this week, and three-fourths of the land needed for a similar installation near Willow school was also in public ownership.

The half-way mark in land acquisition for the parks, okayed by the voters in an April bond issue election, was passed Tuesday night as the city purchased four more parcels in the northwest corner of Belle Haven and the third of four sites needed in the Willows area.

There are still 13 small lots to be purchased in Belle Haven, and one in the Willows.

City Attorney James T. O'Keefe Jr. announced that negotiations for the property had been successful thus far. No condemnation suits have been felt necessary yet although some of the remaining property owners dickering for higher prices than those offered by City Appraiser David Ingram.

The four parcels purchased by the city last night cost $1500 apiece. They were deeded over by Leslie C. Roberts, Claude R. McKee, Emil Ehrman and Louis R. Bocksrucker.

None of the lots was improved.

The city now owns 13 of 26 lots needed for the Belle Haven development.

In the Willows, the city council and the family of George Petrovich and the city agreed on a price of $16,000 for the rear portion of their property at 514 Gilbert street.

The property has a rental unit on it, which, city officials said, may remain rented until the city gets ownership of the fourth parcel of land needed for the park, at which time development will start.

Courthouse Fete Opens Centennial

Dedication of San Mateo County's new courthouse July 1 will officially open the centennial year of the county.

Ceremonies for the dedication will be handled by the Grand Officers of the Native Daughters of the Golden West and the Native Sons of the Golden West.

Robert C. Kirkwood, state controller, will be featured speaker.

On All Levels:

Pay Boosts for City Employees Get Official Approval of Council

A resolution setting next year's pay scale at five per cent higher than that of this year, for Menlo Park's civil service employees, was passed unanimously by the City Council Tuesday night.

The matter has been under discussion for the past several weeks.

Pay of non-civil-service employees will also be increased, the Council agreed, but not always exactly five per cent.

Under the new pay scale, for example, City Manager C. L. Longson will receive a stipend of $1000 per month; Police Chief George Potter will get $700 per month and Building Inspector James D. Steiger will get $650 per month.

Pay increases for those under civil service are also based on seniority, and since the city has many categories of employees, would require a long tabulation. Starting pay for police patrolmen will be $354 per month and for a laborer, $317.

In another action the city agreed that, insofar as possible, wage scales throughout the county should be uniform.

They did this in answer to a letter from the Redwood City council which urged such uniformity.

But Councilman Charles P. Burgess pointed out that there are so many skills and types of tasks performed in all cities that although the principal of "equal pay for equal work" was a good one, it would be hard to implement it countywide.

The matter was referred to the city manager.

IN CASE OF FIRE CALL
DA 3-2404

Atherton To Study Drain Plan

A $900,000 flood control plan for portions of Atherton, Menlo Park and unincorporated territory will shortly be under the scrutiny of a committee appointed by the Atherton Town Council Monday night. Samuel Graf, an engineer of 68 Elena avenue, was named chairman of the group.

Financial details of the plan will be a part of the committee's investigation, particularly since reports reaching the Atherton Council indicated that $650,000 has been appropriated by the state for the project.

Since the financial aid would come through the county, the new committee will work with both the Atherton Council and the County Board of Supervisors. The county is paying part of the costs of the survey.

Appointed to the group by Atherton Mayor George Linsley are Edwin Church, former vice-mayor of Menlo Park who now lives in Atherton; Leland Kaiser, financier of 82 Elena avenue; Ben Duniway, 333 Fletcher drive; Austin Earl, a civil engineer from 82 Atherton avenue; and two men from the unincorporated area, Joseph Lenahan, oil company executive of 1180 Sherman avenue and W. F. Silver, a banker who lives at 1170 Sherman avenue.

Graf said that he would shoot for a Thursday meeting for the group. He is also chairman of flood control problems of the Atherton Civic Interest League.

NO SIMPLE TASK

In appointing the group, Mayor Linsley said he realized the job of evaluating the flood control plan "was not a simple assignment." The job will consist of considerable investigation, he added.

The committee, according to Graf, will have to determine whether this is the plan for the area, studying both the engineering soundness and financial considerations.

As presented to the Atherton council last month, the plan prepared by City Engineer Ed Smith, calls for application of concrete along the Atherton drainage canal from Alameda de las Pulgas to Bayshore highway.

The district would include all of Atherton southeast of Atherton avenue, a large part of Menlo Park north of Oak Grove avenue and most of the unincorporated area between Santa Cruz avenue and the Atherton city limits.

Approximately 55 per cent of the proposed district lies in Atherton, 45 per cent in unincorporated territory and five per cent in Menlo Park.

Atherton Shifts Building Control

Violators of Atherton building and zoning regulations, currently under fire from the town council, will be handled differently in the future under new procedures approved by the council Monday night.

Building Inspector Charles Howard will be charged with responsibility of following through on violations hereafter. Previously, the Atherton police handled continued violations.

A town official said that most of the old violations are in the process of being cleaned up.

City Attorney Winston Churchill Black has been contacting violators in an effort to get the illegal building problems eliminated.

You're Right:

IT WAS HOT!

Everybody agrees that Menlo Park has the best of all possible climates, but Tuesday residents also agreed that it was HOT.

The amount of heat varied a little with the various parts of the city. Out at the Menlo Park Sanitary District's sewage treatment plant, next to San Francisco bay, a maximum temperature of 85 degrees was registered; at the Menlo Park Recorder's office, the temperature was 96 degrees at 2:30 p.m. and at the James Polese residence, 1630 Stanford avenue in West Menlo Park, the temperature got to 102 degrees.

School Sites, Attendance On Monday Agenda

Attendance area and land acquisition problems of the Menlo Park Elementary School District will once again be featured in discussions before the Menlo Park Elementary School District board of trustees, when that group meets Monday night.

District Superintendent Dr. Mel Homfeld reported yesterday that the 8 p.m. conclave at Central school will also feature the reports of two teachers' committees, dealing with leaves of absence and with merit salary increases, the receipt of bids for furniture for science classrooms at Hillview, Encinal and Oak Knoll school and the calling for bids for the job of painting Encinal school.

Discussion of attendance areas will be reintroduced with the submission of a report by the administration, Dr. Homfeld said. The report was requested by the trustees.

He added that, as of yesterday, it wasn't known whether any progress on west district school sites could be reported or not.

The district has been in contact with trustees of the Henry Cowell estate, which owns about 15 acres in west Atherton, however.

Willow Road Traffic Hazards Stressed

Growing traffic problems on Willow road, which the city and state are already moving to solve, were once again pinpointed by residents of The Willows area and Belle Haven in letters to the City Council Tuesday night.

The Willow School PTA renewed its request that a crossing guard be stationed at Willow road and Durham street, during the school year, during hours when children are crossing the heavily-travelled street.

And a letter from the Belle Haven Mutual Improvement Association urged that a crossing guard be placed, at the critical hours, at Willow road and Newbridge street.

City Manager C. L. Longson said that the State Division of Highways was known to be considering placement of a signal light at the latter intersection, but said he hadn't heard about what progress had been made.

Mayor George S. Ford, taking note of the request for an officer at Durham street, said he felt a light would be better.

The Durham street crossing is currently being studied by members of the city's traffic safety commission.

Firemen Plead for Sane '4th'

Annual sale of fourth of July fireworks starts today throughout the state of California and noting this, officers of the Menlo Park Fire District this week issued a few words of advice and a few notes of warning for prospective purchasers.

"Only such fireworks as have received the approval of the state fire marshal are available for sale here," Deputy Chief and Fire Marshal Edwin Wickstrom said this week, "but even these can cause burns and start fires if used improperly.

"For instance, the usually innocent sparkler can cause a lot of trouble, particularly if thrown into the air or ignited in dry grass. The same thing is true, of course, of 'flaming fountains,' pinwheels, and other approved devices."

Chief Wickstrom gave a nod of approval to the type of "block party" which has become popular in many parts of the fire district. In these affairs, many residents pool their fireworks resources and ignite them in the street, with all youngsters from participating families kept in view and carefully supervised as they light various devices.

"Not only does this give everybody a chance to see a better display as well as provide for supervision, but it also is the most economical method of financing fireworks purchases."

CLEAR STREETS

Of course, the chief noted, it's a good idea to arrange things so that a street can be cleared in short order, in case any cars attempt to get past the display.

And it's another good idea to call the fire department in advance. In the past, the firemen have sometimes been called out by residents who weren't aware of what was going on, when the only "fire" in the neighborhood was being operated under the aegis of a block party group.

Fire crackers, rockets, and other dangerous devices have been outlawed throughout the state and will be confiscated if firemen find anybody using them, Chief Wickstrom said.

In spite of this, there will be some grandiose, noisy displays in the area.

One of these will take place after dark at the Redwood City rodeo grounds and others may be "fired" from locations as yet to be announced.

The operator will be state licensed at any such display.

Parking Plaza Paving to Start

Actual paving of Menlo Park's new municipal parking plazas south of Santa Cruz avenue must begin within two weeks, it was indicated before the City Council Tuesday night.

City Manager C. L. Longson reported that a representative of Bahr and Ledoyen, Palo Alto contracting firm which had been awarded the job, signed the contract Tuesday. It calls for start of work in 15 days.

Meanwhile, a representative of the firm indicated that committments of equipment on other jobs will delay start of work here until after the July 4 holiday. The job will cost $25,322.30, according to the bid submitted by the contractors.

About That Sales Tax:

Menlo Park Council to Study 'How' and 'How Much'

Menlo Park City Councilmen Tuesday night decided that they'd better decide what they'd do with funds derived from a sales tax, before going on record as being in favor of it.

They set next Tuesday night's informal meeting as time for discussion of what percentage of the returns of such a tax should be used for "capital outlay," and what percentage of the returns of such a tax should be used for the operating budget, for reduction of the city's property tax rate.

They also indicated a public hearing will be called, at which citizens-at-large can indicate how they feel about the whole matter.

An annual income of about $170,000 is generally mentioned as that which could be expected by the city, if the one per cent city-county sales levy ever becomes law, according to Councilman Charles P. Burgess.

Discussion opened with the reading of a letter from the Peninsula Division of the League of California Cities, in which it was announced that representatives of city councils approving the sales tax would meet at the Villa Chartier in San Mateo July 12.

Other documents read included a resolution from the San Carlos City Council, but asking that cities with small business districts, such as Belmont, be given special consideration.

A letter and resolution from the South San Francisco City Council urged that the sales tax be opposed unless it can be shown that it has more benefits than disadvantages.

A letter from the Manufacturer's Association of San Mateo County also urged the council to oppose the proposed sales tax, on the basis that it would have a deterious effect on industry.

Councilman William R. Lawson said he would like to see the matter presented in a different order. The matter should be discussed at a formal public hearing first, he said, with the council making up its mind on whether or not to back the sales tax after hearing what the public has to say.

Councilman Burgess rebutted that a public hearing will be held in any case and probably before the city council has to forward its opinions to the July 12 conclave in San Mateo.

(The proposed sales tax would be a one per cent one, added to the state's present three per cent tax.

(The funds derived are to be shared by city and county. The county supervisors must enact the law to institute the sales tax, but since most of it will be collected within cities, they have indicated they will not pass a sales tax law until the majority of city councils in the county have indicated they want it.

(And also, the manner in which the take will be split between the county and the cities is yet to be decided.—ed.)

Front Yard Swimming Pool Fails To Get Atherton Council Nod

Atherton Town Councilmen decided Monday night to uphold their Planning Commission in rejecting a variance request after after several persons appeared to argue the pros and cons of a proposed swimming pool in the front yard of a home to be built by George Diskon on Faxon road.

Appearing to protest the pool were several neighbors who claimed they had moved to Atherton to avoid unsightly construction. Those favoring the pool, however, pointed out that it would actually be more desirable in the front yard than in several other places where it could be built legally.

After about 45 minutes of discussion, Mayor George Linsley suggested the council follow the decision of the Planning Commission in denying the request. A motion by Councilman Edward Turkington to deny the request was passed unanmiously.

In other zoning actions the council:

Turned down a variance request for another swimming pool, this one by Mrs. Harriet Dilkes, 79 Flood circle, who wanted to construct a pool in the side yard area.

Approved another swimming pool variance requested by Leo J. Roselyn for the side yard at 130 Tuscaloosa avenue.

Turned down a tentative subdivision map, requiring four variances, dividing the Filliam Fairley property, 98 Ridgeview drive.

Okayed tentative subdivision map dividing Marvin Wood property, 230 Atherton avenue, into three lots.

Approved tentative subdivision map dividing A. G. Loewe property, 355 Selby lane, after the owner agreed to remove non-conforming buildings on the property.

Okayed tentative subdivision map of A. K. Irving property, 52 Tuscaloosa avenue, into four lots.

Approved tentative map of Mahoney Manor, Atherton avenue and Alameda de las Pulgas, which contains 10 lots.

Approved record of survey map of George H. Sandy property, 133 Atherton avenue.

Chiefs at Fresno Training Session

Menlo Park Fire District Assistant Chiefs Alfred Cleland and Charles Dompe recently attended an instructors' course for firefighting agency training officers, presented by the State Department of Education, at Fresno.

The training meet was in the form of a one-day program of intensive instruction and was attended by firemen from throughout the state, according to District Chief George Carter.

Chiefs Cleland and Dompe attended as part of the Menlo Park Fire District's continuing program of in-service instruction, Chief Carter said. The two are training officers for the district, in charge of giving instruction to firemen.

Has NROTC Rank

Donn Valerio Tognazzini, son of E. V. Tognazzini of 266 Park lane in Atherton was commissioned an ensign in the U.S. Naval Reserve, at ceremonies held last Sunday at Stanford University. He was graduated as a Bachelor of Arts in philosophy the same day.

Tognazzini, who is a member of Sigma Chi, will be assigned to active duty for a period. He is a graduate of Culver Military Academy.

GET NEW POSTS AT SRI

SHIFTS IN UPPER ECHELONS at Stanford Research Institute were announced last week by E. Finely Carter, associate director and chairman of the management committee at SRI. Dr. Weldon B. Gibson, center, of Palo Alto, was named associate director of the Institute; P. J. Lovewell, left, of Redwood City, succeeds Dr. Gibson as director of economics research and William L. Platt, assistant director of economics research, will assume more responsibilities within that department. Platt is a resident of Atherton.

Dr. Fenton Heads East for Confab

Doctor L. Howard and Mrs. Fenton, of Menlo Park left Saturday to attend the National Chiropractic convention in Chicago. Doctor Fenton will take post-graduate work while away.

Before returning, the couple is going on to New York to visit a daughter and family, Mr. and Mrs. R. N. Rodes.

While in New York Dr. Fenton will speak to the Chiropractic Institute of New York.

Dr. Fenton is state director for the California Chiropractic association.

Menlo Man Opens New Hair Salon

Opening today at 156 Stanford Shopping Center is David of Stanford, hairstylist salon operated by David Rodenberger of 1175 Altschul avenue, Menlo Park.

The new salon will feature the most modern and automatic machinery available, Rodenberger said this week. It will also feature a coffee bar for the use of patrons.

Rodenberger, who is president of the Peninsula Cosmetologists Association and who has won many trophies for his hairstyling work, has had 10 years' experience in shops in San Mateo, Palo Alto and the East.

Staff of the new Stanford Shopping Center facility will include two women and three men, in addition to a manicurist and receptionist.

Rodenberger's family includes his wife and two daughters.

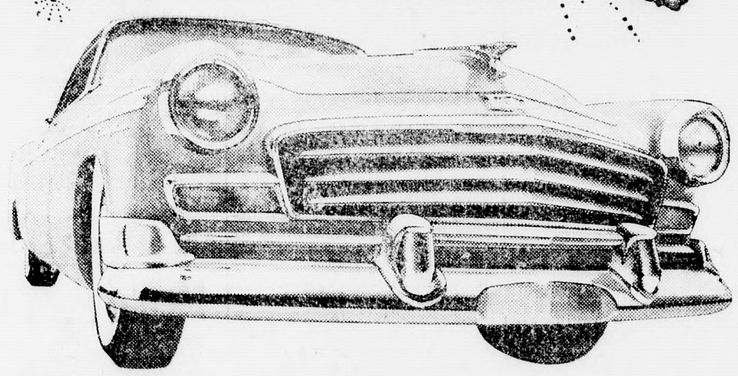

Encinal Library To Remain Open

The library at Encinal school in Atherton will be open each Tuesday morning this summer under the auspices of the Encinal PTA. Hours will be from 10 a.m. to 2 noon, continuing through September 4.

Children in the Encinal area of Atherton and Menlo Park may take three books at a time for a week's period.

Mrs. R. Stewart Norris is chairman of the PTA's summer project. Other volunteer librarians are Mrs. Howard B. Crittenden, Mrs. Franklin Graf and Mrs. Clyde L. Walker.

Atherton Council Shows Concern For Street Repairs

City Attorney Winston Churchill Black was instructed by the Atherton Town Council Monday night to study the possibility of requiring a three-year bond whenever Atherton streets are torn up.

The action came after councilmen expressed concern over portions of streets which had been torn up for sewage repairs. The current bonding practice covers one year.

In other actions the council:

Deferred any decision on the proposed ales tax until they "get more information." The action followed a request by the Peninsula Division League of California Cities for a resolution favoring the tax.

Gave final approval to an ordinance raising the fee for real estate signs for $1.00 to $10 per year per sign.

Authorized an audit of town records by Logan and Logan.

Instructed City Engineer Ed Smith to make a report on damage attributed to Menlo Park Sanitary District, following a request by the district for a formal statement of damage.

Also instructed Smith to see that action is taken in regard to other streets which are the responsibility of private contractors.

Menloites Join Home Society

Among the 16 new members of the Palo Alto Auxiliary to the Children's Home Society who were welcomed at a luncheon at the Pioneer Hotel in Woodside are Mrs. Wilbur L. Barnes and Mrs. Mark C. Cotton, both of Menlo Park.

Mrs. Barnes, the former Kathryn Simpson, is the mother of two girls. She is a Girl Scout Brownie leader and secretary of the Golden Gate Dachshund Club.

Mrs. Cotton was formerly Frances Bubb and has two daughters. She is a graduate of San Jose State College.

CAR TOWED FROM SCENE

Autos driven by Andrew F. Nordin, 58, of San Francisco and James D. Lindahl, 57, of San Carlos, collided at El Camino Real and Oak Grove avenue Saturday afternoon, Menlo Park police report. There were no injuries.

"How old am I?"
asks Mrs. Rollin E. Jaberg
2169 Green St., San Francisco
Time was when many women used to hide their age . . . but nowadays they're apt to *boast* about it! One reason—and a big one: modern appliances. They're freeing women everywhere from chores that used to make them too old too soon.
Take Mrs. Jaberg, who lets appliances handle much of her work. Hard to believe, but she's actually 60 years old.
How about *you?* Are you increasing the staff of automatic appliances in your home? Remember, with P. G. and E.'s low rates for gas and electricity, you can run a whole houseful all day long for just about half the price of most lipsticks.
Pacific Gas and Electric Company

'Too Strong,' Is Charge

Menlo Park Beer Retailers Face Possible License Suspensions

Charged with selling beer with an alcohol content of more than 3.2 per cent within a 1½ mile radius of Stanford university, virtually all Menlo Park grocers and restaurants face possible five-day suspensions of their liquor licenses by the state liquor control department.

The charges, apparently the outcrop of a complaint by the Palo Alto Citizens League for Liquor Law Enforcement, were made to 31 licensees near the university by letter from the department.

Action by Frank Fullenwider, Atherton, area liquor control chief, followed warnings sent to the alleged violators during February and March.

Fullenwider, who tagged the alleged offenses minor, said they have the option of accepting a 15-day suspension with 10 days stayed. This would mean they could not sell beer for five days.

If the alleged offenders decide to fight the suspension, a hearing would be held at the county seat before a hearing officer who then would make his recommendations to Russell S. Monroe, director of the State Department of Alcohol Control.

Whether anyone will fight the suspension has not been determined. Russell C. Dickson, Fullenwider's assistant, said that none of the licensees have indicated whether they intend to ask for a hearing.

CHALLENGE

A Menlo Park restaurant owner, when asked whether he intended to fight, said he "would like nothing better than to make an issue of the matter," but indicated that he had neither the time nor the resources to battle the matter.

Other sources indicated they thought the 1½-mile radius should be figured from the campus proper instead of from San Francisquito creek, on the basis that the Stanford shopping center is not part of the campus, but no actual appeal on the matter has come to light.

The California State Penal Code spells out limitations on the sale of alcoholic beverages. Section 172-A, the one dealing with the local situation, states that liquor may not be sold within 1½ miles of a campus where more than 1000 students attend classes and where at least 500 live on the campus.

Generally, beer sold in California is about 4 per cent, while only 3.2 is permitted near Stanford. Responsibility of seeing that beer over the limit is not sold rest with the retailer, according to Dickson, who added that the label does not have to be marked.

According to reports, those affected by the threatened suspension in Menlo Park include: Lucky Stores, Inc. No. 22, 611 Santa Cruz avenue; Oxford Delicatessen and Cafeteria, 860 Santa Cruz avenue; Consumers Market, 641 Santa Cruz avenue; Sunshine Market, 729 Santa Cruz avenue; Menlo Square Market, Alma and Ravenswood avenue; William E. and Margaret Cook, 3571 Alameda de las Pulgas; Searles' Buffet, 639 Santa Cruz avenue; Duca & Hanley Market, 719 Santa Cruz avenue; Draeger's Super Market, 1010 University avenue; Safeway Stores, Inc., 525 El Camino Real; Avenue Food Market, 201 El Camino Real; The Oasis, 241 El Camino Real; Dudley's Kitchen, 879 Santa Cruz avenue; Buy 'n Save Market, 75 Middlefield road; M & P Fine Foods, 1137 El Camino Real; Menlo Grocery, 1170 El Camino Real, and Walt's Economy Market, 2100 Avy avenue.

$65,000 Damage Suit Is Filed

A suit for $65,000 damages has been filed in behalf of a 9-year-old East Palo Alto girl for injuries sustained when she was allegedly hit by a car at Willow road and Newbridge street.

The action was filed in San Mateo County Superior Court last week by Audrey Johnson of 1027 Laurel street on behalf of his daughter, Gwendolyn. Named as defendant was Erling Hansen, 33, of Redwood City.

The complaint charges that Hansen was the driver of a car which struck the girl as she was pushing her bicycle across the street. It says she suffered a concussion, fractured pelvis, bruises, contusions and shock.

Obsidian mirrors were used by the Mayas.

New School:

LA ENTRADA

"La Entrada" will be the name of the Las Lomitas School District's upper grade school, to be built at Altschul avenue and Sharon road, it was announced late last week.

The school will be constructed with state funds, which the district will seek after October on the basis of eligibility points which it may have at that time. It will be expandable in design; number of rooms of the first unit will be determined by the state.

The name was selected by Kathy Worsley, eighth grader who was graduated from Las Lomitas school earlier this month. Hers was one of several names submitted for consideration by a combined parent-teacher committee.

Play Equipment At Schools Gets New Paint

This summer, color has come in "stripes" to Menlo Park School playgrounds, as the school district began a program to paint all playground equipment a series of bright, contrasting colors.

Safety is the primary motivation behind the new program. This past year, at least one child unseeingly rode his bicycle into a stanchion for a basketball backboard which was painted an innocuous silver. The steel posts, painted varieties of red, yellow, orange, blue, green, and several other colors, stand out immediately against the gray asphalt playground surface.

In addition, color on the playground makes the equipment more inviting to children, especially kindergarten and primary children. The program also gave the district an opportunity to use large quantities of war surplus paint which it had bought at great discounts.

The introduction of bright, contrasting colors to playgrounds is a new idea being taken up by school districts all over the nation for the dividends which its pays in safety and attractiveness.

Ex-Councilman's Son Hurt in Mishap

David A. Cobbledick, 20, a son of former Menlo Park City Councilman Arthur Cobbledick, was injured earlier this month when his car went out of control and struck a guard rail barrier on the west frontage road of Bayshore highway, at Windermere avenue.

According to a delayed report from the California Highway Patrol, the lad was taken to Palo Alto Hospital for treatment of facial lacerations and the loss of two front teeth.

The family now resides at 984 Blair court, Palo Alto.

Getting Supplies:

Already, Preparations Underway For Schools' Opening in Fall

As the school year ends and Menlo Park School District teachers cleaned their rooms, turned in their records, and left for vacations, Director of Instruction Paul R. Stouffer and his staff plunged into preparations for the opening of school next September and the 1956-57 school year.

Tentative preparations began May 1 with the opening of bids on some 94 separate items of instructional supplies. These included brushes, crayons, notebooks, blotters, paperclips, flags, glue, folders, ink, paint, pencils, of course, paper. The paper was of all conceivable grades, sizes, and colors, to suit a score of purposes from mimeographing, to drawing and writing.

On June 1, orders went out for new books needed in the schools next year. From the State Department of Textbooks, some 7683 books and pamphlets were ordered to replenish present supplies, covering subjects from reading, spelling, arithmetic, language arts, science, history and geography, civics, handwriting, and music — among others.

As a result of the district's withdrawal from the County Library system, orders were placed with several private publishing companies for some 6066 additional books and pamphlets, primarily readers.

Beginning the latter part of May, Herb Marrs, recently put in charge of the district's supply rooms of books and instructional supplies, began preparing the stock carried over from last year for distribution to the schools later in the summer. A new and unused basement room was opened to ease the overcrowding of old facilities.

During the last week of school, teachers and administrators began the long job of inventorying the thousands of books being used in the schools, and shipping them, box-load after box-load, to the district's central offices. Of the some 6000 books that came to Central School, some 4000 were segregated and forwarded to the county, and the remaining 2000 stored on the book-room shelves.

GET MAINTENANCE

In addition, all staplers, record-players, kilns, projectors, typewriters, etc. in need of repair were sent into the district's central supply rooms for maintenance during the summer.

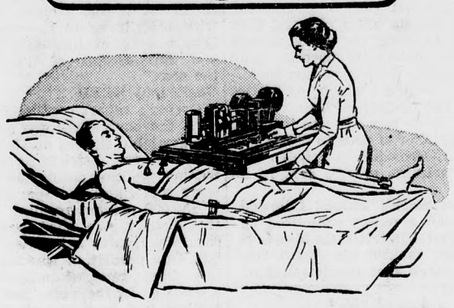

Just in planning are orders for some 4-5,000 more reference books, supplementary texts, and fiction for literature development being drawn up by the district's new librarian, Mrs. Naomi Knight.

Cars Crash Here; No One Is Hurt

Autos operated by William Edward Schoephoester, 32, of Redwood City and Charles St. John Herbert Jr., 38, of San Mateo, collided at Linfield drive and Homewood place Monday afternoon, Menlo Park police report.

There were no injuries or citations, but Schoephoester's car had to be towed from the scene.

Prescription Pharmacists

HEART DISEASE PROBABLY *HAS NOT INCREASED . . .*

The increasing number of reports of heart disorders as a cause of death has been brought about by the *success* of medicine. Many persons who formerly might have died of other diseases now live long and useful lives—eventually to succumb to a failing heart which has performed its lifetime of duty.

Therefore—as we grow older, the care of the heart must be considered in our every activity. Have regular check-ups by your Doctor, and follow his guidance carefully. He probably can help to keep your heart functioning for many extra years of buoyant and happy life. Whenever medication is required, we will be happy to have you bring your prescriptions to this Pharmacy.

As We See It:

A PLUG FOR THE POSITIVE

It's easy to accentuate the negative. The positive is harder to catch.

In a parade, the one man out of step naturally comes in for a lot more attention than do the thousands marching properly. And when a youngster gets into trouble, he becomes news. The millions who are doing well go unnoticed.

Thus, too, the parents of the boy or girl in trouble reap a bountiful harvest of scorn – often merited, often not – while all the parents who do their best to help their children along the road seldom get a word of notice.

It is to the thousands of Menlo Park area parents who are doing a good job that we want to direct these words.

We are proud of the youngsters in this community. On the positive side, one need only check the records they make in college, or their standings in standard achievement tests, or take a look at such undertakings as the Menlo-Atherton yearbook or the high school's newspaper, Bear Tracks.

Or, one might simply talk to a number of the boys and girls themselves. They are a terrific bunch.

When you and I were young, Maggie, we and our friends didn't stack up half so well. We were neither so aware of the world, so mature in outlook nor so self-assured and competent.

This area can be proud of a record of relatively little delinquency. Of course some young people get into trouble – out of all the thousands we have among us. And some of their elders get into trouble, too.

But in the broad picture, this area can be proud of its youth.

The kids themselves deserve a lot of credit. But their parents can be proud, too, of their part in raising such an outstanding bunch.

Parents, here, work at the job. They don't just let 'em grow. Consider all the Scout groups, the youth programs of the service clubs, the Little League, Babe Ruth League and the farm teams, the city recreation programs.

Consider, too, the recent all-night graduation party for the 351 youngsters who had just received diplomas from Menlo-Atherton. That, we are told, was a grand success, and it came about only through the genuine hard work of a lot of parents willing to devote their efforts unselfishly for their children.

To the hundreds of parents represented in all these undertakings we take off our hats.

But such organized programs are not the only reason our youngsters turn out so well. We salute, too, all the thousands of Moms and Dads who are doing a wonderful day-to-day job of helping and understanding.

Sometimes Mom feels forgotten, particularly these long summer days as Little Widget gets into mischief for the twenty-fifth time since breakfast. Not so! We're thinking of you, and we're proud of you and the grand job you and Dad are doing!

—————o—————

TO SERVE YOU BETTER

Last weekend, the entire news staff of the Menlo Park Recorder went back to school to learn how better to serve you.

At the annual Editors' Conference at Stanford, sponsored by the California Newspaper Publishers Association, your local newsgatherers attended lectures and took part in panel discussions, all aimed at improving the job done by your local newspaper.

One factor that received great stress in panel talks was the accuracy of your newspaper, and one important phase of accuracy we wish to draw to your attention.

Have you ever thought how difficult it is to tell what happened in any occurrence? Every event is composed of a vast complex of facts, most of which are irrelevant, but many of which are essential to a complete narration.

It may or may not be significant that a murderer was wearing a yellow necktie. It may or may not be significant that Mayor George S. Ford frowned before announcing a new city policy. It may or may not be significant that the temperature was 79 degrees in the meeting hall when the school board established its new attendance boundaries.

All these facts are part of the context of a story. Yet it is manifestly impossible to relate them all, and to do so – if the facts are not significant – merely would cloud the picture.

Thus a reporter must, in writing a news story, sort out the facts that are important to an accurate portrayal of the event and must put them in their proper perspective. Two different reporters often will give two entirely different reports, and the question of which is more accurate will depend on which reporter has a more complete understanding of the context – of the background and the personalities involved.

Sometimes, too, accuracy will be sacrificed by the desire of one reporter for a "hot" story, while another will sacrifice liveliness for the sake of accuracy.

Both reporters may relate true facts. But their choice of facts and the perspective they give them can determine whether the story they offer is or is not a true and accurate narrative of the event.

We on this newspaper are closer to the context of happenings in this community than anyone else. We should understand the events of this area better, because it is our only field. We live in it with you and do not distract ourselves with happenings far afield.

Thus, we believe that we, the news staff of the Menlo Park Recorder, should have a better yardstick for the choice of significant facts than anyone else, and we pledge to you that we shall try always to apply this yardstick as conscientiously as possible.

As a corollary to this pledge, we promise, too, never, insofar as we are able, to let our desire for a "hot" story lead us into warping the facts out of perspective. If our report occasionally lacks the excitement you find in a story printed elsewhere, we hope you can feel confident that ours is more accurate.

However we may miss it at times, our constant goal is to give you as complete and as accurate as possible a record of the doings in your own community.

TELLS US:

. . . That, in answer to a query on "How does hot weather affect the crime rate?" One Who Should Know replied:

"Not much. Not enough so you can tell."

But, with curiosity un-assuaged, the questioner asked:

"What about drinking?"

"Oh," said the Menlo Park police department informant, "People drink more. Mostly water."

* * *

. . . That, although it may not seem to "add up," the most popular summer-school course at Menlo-Atherton High School is mathematics.

So reported Principal Willard Bradley early this week.

The subject proved so popular that, at the last minute, the number of classes had to be multiplied so that more young folk could dig at square and cube roots in the garden of learning.

* * *

. . . That things have certainly changed since last winter.

During December and January, for inst., storm sewers were pretty well cleaned out by the heavy rains.

Friday, firemen were called to Santa Cruz avenue and Chestnut street, where normal collection of trash in the drain had caught fire.

The drain had to be flushed out all over again . . . this time with fire hoses.

* * *

. . . That, it being summer and the world suddenly infested with small boys, Stanford golf course turns up this yarn:

One enterprising sprite was collecting lost golf balls along the edge of a fairway.

Looking up he saw, on one of the greenest and prettiest parts of the course, a nice, brand new golf ball. It hadn't been there when Our Hero had looked before, but that was no bother.

Also, the nearby flag, sticking in a hole in the ground, wasn't considered significant.

Full of the thrill of finding something of value, Our Hero charged up. He grabbed the ball and made off—down one of the paths travelled by followers of the sport.

A couple of the latter collared Our Hero. They marched him back to the vicinity where he had found the nice, new-looking ball.

And, in a little while, Our Hero found himself assigned the task of carrying two sets of golf clubs for a distance of about nine holes.

AMY IS the latest addition to the household of **Mr. and Mrs. Marvin Loewith,** 1 Elizabeth way, Atherton. Born June 18 in Palo Alto hospital, the young miss tipped the scales at 6 pounds, 13 ounces.

She's been visited by her maternal grandmother, Mrs. Danforth Field, San Mateo, but will have to wait until Sunday to see Grandfather Field who is on a business trip.

The new baby has two brothers, David, 6, and Peter, 4½, and a sister, Deborah, 3.

* * *

IT'E A SON for **Dr. and Mrs. James Jentges,** 405-5 Stanford Village. The young man, born June 15 in Palo Alto hospital, weighed 8 pounds, 15 ounces.

* * *

LINDA CORBETT is the name selected by **Mr. and Mrs. Corbin Hebbe,** 520 17th avenue, for their daughter, born June 19 in Palo Alto hospital.

On hand to greet the 6 pound, 5ouncer were a brother, Rodney, 13, and two sisters, Susan, 12, and Sandra, 9.

* * *

LITTLE DEBRA YVETTE is a new resident in the home of **Mr. and Mrs. Clifford Robinson,** 1371 Henderson avenue. The 6 pound, 10 ouncer was born June 20 in Palo Alto hospital.

Debra and her brother, Clifford, will be visited this summer by their grandparents, Mr. and Mrs. Walter Carter, Monroe, N. C.

Menlo Private Serves in Korea

Private von Ofenheim, assigned to Company I of the division's 19th Regiment, entered the army in October, 1955, and received basic training at Fort Ord, Calif. He arrived in the Far East last April.

Fatal Fallacies — by Ted Key

Your City's Business:

Sales Tax Could Pay for 'Capital Outlay' Items

By CHARLES P. BURGESS
City Councilman, Menlo Park

What capital improvements are needed by the City of Menlo Park? If there is not a great need for capital improvements, a sales tax would have no other purpose than reducing the property tax rate, though this is, of course, a very important consideration.

Our most important needs were a library building and park sites in the Willows and Belle Haven. These have been provided by the recent $220,000 bond issue voted in the April election. Less critical but imminent are improvements for the city parks in excess of the minimum development provided in the bond issue. Swimming pools are a desirable addition. We need a community recreation building that will also serve as a teen-age center. A teen-age center is likewise needed in Belle Haven.

A fairly urgent project, in my opinion, is a crossing of the railroad tracks about opposite Middle avenue. This artery would link our administrative office building zone with El Camino Real, and the eastern part of the city with the western.

It would not be a route for through traffic; that would use the Willow-Sandhill link turning into Palo Alto past Nielson and the new telephone building, and would be constructed as a State highway.

The Middle avenue crossing is needed for intra-city communication, to relieve congested Ravenswood avenue, and to provide another route for employees of our administrative office building zone to reach El Camino Real. If our ultimate development of this office building zone is to relieve property owners of a material portion of the property tax burden, it will have to be provided with adequate traffic arteries to permit the necessary growth.

Another major capital improvement need is offstreet parking, both for commuters and in business districts. It is obvious that as time goes on we must secure additional land to park commuters' cars. It is equally obvious that additions to our offstreet parking plazas in the business district will be needed.

The new parking plazas on the southerly side of Santa Cruz avenue will alleviate the problem for the time being, but we should have a continuing program of offstreet parking.

At the present time the use of special assessment districts means that land must be subject to condemnation. With a continuing source of revenue, individual parcels of land could be negotiated, with the purchases to come from the most willing sellers. And sales tax proceeds could quite equitably be used to acquire offstreet parking in the business areas, whereas it would be inappropriate to use general property taxes for this purpose.

Low on the list of priorities, but nevertheless an ultimate requirement for the city, are a new city hall, police station, council chambers and other civic center ctructures. Our present facilities are plain and still adequate. But in the long run these structures will have to be replaced and enlarged.

More imminent, but not an immediate problem, is reconstruction of our residential streets that have been put in according to our standard specifications and have been accepted by the city.

Because most of our residential streets in this category are of relatively recent construction, we are not now faced by such costs. But some are now reaching the age of 25 years, and as gasoline tax money is not available for reconstruction, the city must necessarily prepare itself financially for the ultimately formidable task.

These, as I see it, are the demands upon the city for capital improvements which will have to be met from additional property taxes if a local sales tax is not provided for the purpose.

Walter:

JOB FOR A RAT

Walter the Sweltermouse this week brought his reports into the office and announced that, starting the next day, he was taking a vacation.

"Why so sudden?" we asked, "and who's going to garner our 'hot' statistics while you're away?"

"I have a cousin of mine lined up to do the job," replied Walter, "and the reason for my sudden decision is the temperature to be reported for June 26.

"That figure will head next week's report, and that is no figure for a mouse to bring in. "It's a job for a rat."

MP Optometrists at San Jose Meeting

Dr. Irving J. Weissman of Menlo Park, secretary of the San Mateo County Optometric Society, and Drs. Wendell G. and Fay H. Ulberg, also of Menlo Park, attended a seminar on essential visual training last week at the St. Claire Hotel in San Jose.

The lecturer was Jens Jensen of the Keystone View Company, who spoke on "Cutting All the Frills in Training Procedure and Reducing the Number of Training Sessions Necessary."

Truck Delivered To Fire District

A new utility pickup truck, replacing one of 1940 vintage, was delivered to the Menlo Park Fire District this week. It is the first of three new mechanical units which the district has ordered.

District Chief George Carter said that two pumping engines are on the way, but will not be delivered before fall. One will replace a 1930 engine, and the other will replace a 20-year-old rig.

Gold in California ranges from about 700 to 900 in fineness.

25 Years Ago:

Stray Bullets Flew in Streets Of Menlo Park

The files of the Menlo Park Recorder reveal that, 25 years ago this week, the following items, here reproduced exactly as first published, were news in the young community:

June 26, 1931:

Chief of Police Love is working on a case involving some mysterious shooting on the streets in the early morning hours Tuesday. Two stray bullets struck the front door of Dr. Blake's residence on Roble avenue."

* * *

GRASS FIRES KEPT FIGHTERS BUSY THEN, TOO

"The Menlo Park fire department has been unusuall busy this week answering fire alarms. The blazes have all be grass fires and no damage done on account of the quick response of the fire boys."

* * *

TOWN 'SPORTS' ENJOYED A 'WONDERFUL TRIP'

"Some momentous discoveries are reported by the Menlo Park fishermen who returned from a trip to Lassen Camp on Sunday evening. It was discovered that Ken Martin can qualify for a jumper in the standing high jump; that Zip Hara is some fisherman; that Chief Love is a great mountain climber; that Mayor Weeden has a beautiful baritone; that Jean Hoss has a fondness for fried trout and preaching sermons. All in all a wonderful trip."

Sequoia Meet Reports Are Being Mailed

The final written report of the Sequoia Educational Conference has been mailed to all participants and all sponsoring groups. It is a very exhaustive report, giving in detail the recommendations, suggestions, and in certain instances, conclusions of the 450 delegates.

It is a rather unanimous agreement on the part of all delegates that some type of a similar conference should be planned for next year. Such planning is now in progress, according to Dr. Rex Turner, high school district superintendent.

It has come to the attention of the Steering committee that many, many citizens would have appreciated invitation to the conference, Dr. Turner adds. All such citizens are invited to send a postcard addressed to the Sequoia Educational Conference at Sequoia High School, Redwood City, if they are interested in being invited to a similar conference next year.

Fence Damaged By Fire Friday

Approximately 40 feet of fencing was damaged Saturday afternoon by a fire of undetermined origin at the V. N. Vieve residence at 1116 Santa Cruz avenue, Menlo Park Fire District firemen report.

The firemen were called to the scene at 12:58 p.m. by neighbors. No one was home at the time.

$500 DAMAGE RESULTS

An estimated $500 to a table, a lamp and adjacent draperies resulted from a fire of undetermined origin Friday at the J. H. Walthew home at 32 Montana lane in Atherton, Menlo Park Fire District firemen reported this week.

At Special Meet:

Sequoia Hospital Trustees Move Toward Expansion of Plant

Moving to expand facilities at Sequoia Hospital, board of directors of the 215-bed publicly-owned institution last week:

1. Appointed Stone and Mulloy, Marracini and Patterson as architects.

2. Authorized the architects to proceed with the preliminary studies and drawings for the purpose of determining how many beds can be added and what construction costs will be;

3. Voted to ask a citizens' committee to study the needs for expansion before proceeding with moves for a bond issue election.

The facility, which only two years ago opened its second wing, doubling its capacity and bringing total number of beds to 215, is sufficiently crowded to require that some patients receive care in its halls.

Last week's actions followed study of a report submitted by Hospital Administrator Max Gerfen last month. His report recommended that the hospital be expanded to its ultimate maximum capacity as soon as possible.

"The only purpose in constructing a hospital is to care for the health needs of the citizens," Gerfen's report stated. "This should be our primary concept in discussing the need for more hospital beds.

"While the hospital is constructed and operated to provide health facilities for the people, it likewise contributes to the economic growth by providing employment and the purchase of supplies in the area."

GROWING NEED

Gerfen's report continued:

"A thorough study was made of the available figures on the population of the district. As of this writing we can accurately determine that there are approximately 130,000 persons residing within the district. We then projected the 1960 figures using two methods. One prediction was made on the same rate or a sustained growth as in the past. The other method was gradual reduction in the population growth.

"We have tried to use a conservtive approach in order to hold the entire project to a reasonable dollar figure. By 1965 we predict a minimum population of the district of 175,350. On a sustained growth, the population may reach 216,450," the administrator added.

"We reviewed the known expansion plans of the other hospitals in the area. We did not integrate Community Hospital, which is a county hospital operated for the care of indigent patients. Our studies revealed that if all the hospitals in the area continue their expansions it will not lessen the need for additional beds at Sequoia Hospital.

"In addition to the population figures, we made a written survey of the members of the medical staff. Of the 189 active and associate members, 137 replied to our questionnaire.

Ninety-two per cent stated in writing that at least 100 beds should be added to our hospital for patient use in 1959-60. Six replied in the negative and five expressed no opinion.

"Bed needs for the population are determined on a rate per thousand. The State Department of Public Health has placed a ratio of 3.6 beds per thousand for the state. However, this is in relationship to the average days' stay which is 6.4 days in California.

"At Sequoia Hospital the average days' stay has been 5. Using this number of days, we adjust the statewide rate from 3.6 to 2.8 beds per thousand of our area," the report said.

SPECIFIC NEED

"On this basis, we need minimum additional beds at the present time of 68 to 76. In 1960 we will need 135 to 164. In 1965 we will need between 178 and 270 additional beds.

"The recommendations that we have made are based on the reduced rate of growth for the year, 1965. Of the beds recommended, 10 would be in maternity, 77 in surgical and 91 in medical.

"Your particular attention is called to the fact that no discussion has been held with our architects as to the possibility of adding this number of beds. Our recommendations are therefore that the maximum number, whatever the total may be, be added but no more than 178.

"If our recommendations are favorably considered, we will have 162 beds for medical cases, 156 for surgical cases and 37 for maternity cases for an adult total of 355. In addition there will be 38 cribs available for children. Our present nursery can accommodate 42 bassinets.

'Bloodmobile' Draws Good Turnout in Menlo

Some 108 residents of the Peninsula, many of them employees of industry or of various city organizations, visited the mobile unit of the Peninsula Memorial Blood Bank to donate blood during the trip of the unit to Menlo Park's recreation center recently.

The mobile unit is currently touring Peninsula communities as a public service so that organizations or residents can build up blood credit reserves.

Among the local organizations whose members visited the bank were the U.S. Geological Services, East Palo Alto Lions Club, Menlo Park Masonic Lodge 651, St. Denis Council, Knights of Columbus, Menlo Park City Employees, Menlo-Atherton High School instructors, Laurel PTA, Menlo Park Lutheran Aid Society, Menlo Park Ward, Latter Day Saints, Menlo Park Presbyterian Church, Temple Beth Jacob and Bethany Lutheran Church.

Individuals also visited the mobile unit to establish blood credit reserves and to make patient replacements.

Former US Official Joins SRI Staff

(SRI)—Mark S. Blumberg, M. D., has joined the staff of Stanford Research Institute as an associate operations analyst in Economics division.

Dr. Blumberg was formerly acting chief of the Health Conservation section of the U. S. Public Health Service in Washington, D. C.

Working out of SRI's Menlo Park headquarters, Dr. Blumberg expects to apply operations research techniques to many health and evaluation problems of industry and government. Some of these were touched upon at the Operations Research Society of America meeting in Washington last month, at which Dr. Blumberg presented a paper.

Subjects Dr. Blumberg will consider in his new assignment include phases of health screening, industrial medicine, hospital planning, care of disaster casualties, medical education and motor vehicle accident prevention.

DEMOCRATS HEAR SPEAKER

Alan Baldwin, 26th district candidate for the state assembly, last week addressed a group of San Mateo County Democratic women at a meeting at the Pioneer Hotel in Woodside. Mrs. Frank Groves of Redwood City was chairwoman in charge of the affair.

Burnside Presides At Toastmasters

Howard Burnside, local attorney, officiated as president of Sequoia Toastmasters Club at the meeting held this week. The members of the club were assigned speech topics shortly before the meeting was called to order.

Members of the club meet weekly for the purpose of speech improvement and short topics are discussed preliminary to the assigned speeches. Scott McCulloch was voted the best speaker and awarded a silver trophy for his achievement. Frank Joyal was the chief speech evaluator during the speech contest.

Persons interested in speech improvement are invited to attend the weekly meetings. Arrangements for attending may be made by calling Howard Burnside at DA 3-4179.

School District Buys Fencing

Menlo Park Elementary School District trustees recently okayed the purchase of a 6-foot steel link fence around the district's corporation yard at the rear of Central school.

The fence was okayed after District Business Manager John Richert reported it would cost the district about $1000 to $1200, according to estimates received thus far.

The fence will be classed as a "temporary improvement" and could possibly be moved if necessary, district trustees said.

Trustees Take Stand:

Old Ravenswood School Land Offered for New Library Site

East Palo Alto has the promise of a lot for a new library totalling 14,750 square feet.

Trustees of the Ravenswood School District this week decided to donate two portions of the property of the old, abandoned Ravenswood School site for construction of the new East Palo Alto branch of the San Mateo County free library.

Miss Virginia Ross, San Mateo County Librarian, recently wrote the Ravenswood School District board of trustees, asking for a library site on the Ravenswood School grounds. At the time of the request, the board deferred answer until it received a report from the California Division of Highways on the status of Donohoe street when the Bayshore freeway goes through East Palo Alto.

Monday night Roland Williamson, school plant manager, reported that Donohoe will be an access road. With this in mind, the board decided to add lots on both sides of the present library site giving the county library a 147 foot frontage and a 100 foot depth, with an access road of 20 feet alongside the Euclid street side of the property.

According to Frank Reece of the school board, this should give Miss Ross enough land for her proposed building and parking space, as well.

In an interview with Miss Ross Tuesday morning, the Recorder learned that not only was he delighted with the location, but that "It's wonderful! We'll push for early construction now. The building program is pretty much of a sure thing. With the sites (Sharp Park has also donated a site for a new library there) we can go ahead."

Woodside Boy, 15, Shoots Self in Foot

Gary Bramble, 15, of 2640 Woodside road, has recovered from a wound suffered June 14 when he accidentally shot himself in the foot with a 22 rifle.

Sheriff's officers reported the mishap occurred when the lad was target shooting near his home. The wound, between the fourth and fifth toes of his right foot, was described as being minor.

GETS DOCTORATE

Thomas J. McGehee, son of Colonel A. J. McGehee of 2140 Sharon road, Menlo Park, received a Ph.D. degree in psychology at recent graduation ceremonies at Michigan State university at East Lansing, it was announced this week.

SCIENCE MARCHES ON IN MENLO PARK

NEWEST EXPANSION of major laboratories at Stanford Research Institute is that which was recently announced affecting the Institute's high temperature lab, where experiments on the effects of temperature on metals, compounds and other scientific phenomena are conducted. Shown is the annex of the expanded lab.

Summer Session Opens at M-AHS

Menlo-Atherton high school opened summer school classes Monday, with between 600 and 700 students braving the elements at 8 a.m. the first day and more arriving since then.

Principal Willard Bradley said that the lateness of some of the registrations was not unexpected, since some families are already on vacation. All students are expected to be in class by the end of the week, he said.

Everything was going fine, he added.

Sergeant Reynolds Aids NG Trainees

CAMP McCOY, Wis. (Special)—Sergeant Darold E. Reynolds, 27, son of Charles T. Reynolds, 1340 Mills street, Menlo Park, is helping provide support for National Guard and Army Reserve units on active duty training at Camp McCoy this summer.

He is a driver in the 561st Medical Company regularly stationed at Fort Riley, Kan.

Sgt. Reynolds entered the Army last January and completed basic training at Fort Ord. He was last stationed at Fort Leonard Wood, Mo.

BH Improvement Body Names Heads

John M. Brockman, 1355 Sevier avenue, has been elected president of the Belle Haven Improvement Association, succeeding Fred Butler.

Other officers elected at a recent meeting include Stanley Brown, vice president; Mrs. Pat Harron, recording secretary and Mrs. Martin E. Moore, corresponding secretary.

Cars Collide at Oak Grove and Highway

Cars operated by Joseph P. Dillon, 20, of 775 Arbor road and Leland I. Bishop, 27, of Portland, Ore., collided at El Camino Real and Oak Grove avenue at 6:42 Monday, according to the police.

Officers said both cars were driven from the scene. Bishop was headed north on the highway and Dillon's car was crossing the highway at the time of the accident.

LIBRARY OPEN

Hillview School library will be open during the summer on Tuesday and Thursday mornings from 9 to 11, starting July 3, it was announced this week. The program is being sponsored by the Hillview PTA and is under the direction of Mrs. Dexter Anderson.

Legion Post 472 Plans Barbecue Dinner July 4

The East Palo Alto American Legion Post 472 is celebrating the fourth of July with a free chicken dinner for members and their families, it was announced this week by Commander James De Berry.

The barbecue will start at 1 p.m. and will continue until 6 p.m. There will be free soda pop and ice cream for the children and games with prizes have been planned.

Heading the committee is Keto Cortez, chairman, assisted by Jack Jordan, Bill Wright, Earl Winsor, Al Schultheis, Bill and Jack Gamberg, Bob Joyce, George Porter, Lou Bennett and Clarence O'Neal.

Starting June 28 to July 4 Post 472 will sell safe and sound fireworks at the Legion hall, 2398 University avenue. All money made from this project will be used for rehabilitation and child welfare, according to De Berry, who urges the public to take advantage of the local sale.

Insurance Agent Invited to Meet

Martin W. Grant of Menlo Park, California, has received an invitation to attend one of two meetings to be held by the State Farm Insurance Companies at the Statler hotel in Los Angeles the week of July 22.

The representatives who will attend are among the top 25 per cent of State Farm's field sales organization which numbers more than 7,000 agents operating throughout the United States and Ontario, Canada.

Transport Execs Meet at Stanford

STANFORD—Thirty-two middle management executives have been selected by their companies and are attending a four-week Transportation Management Program at Stanford University this summer.

The special program, from June 25 to July 21, is being offered for the first time this year by the Stanford Graduate School of Business. It is under the direction of Gayton E. Germane, associate professor of transportation and foreign trade.

Classes will be conducted daily with the morning sessions devoted to instruction in management problems, business policy, human relations and administration, appraisal of management techniques, and business economics.

SEEKING SAWS

Menlo Park police were this week investigating the theft, Monday night of three skillsaws from a tool shed in the Hesketh Manor subdivision. Police Chief George Potter said burglars broke a lock on the shed, in order to gain entry.

Car Clouters Identified After Raid Here

Two Menlo Park boys, ages 17 and 15, were in the hands of police Tuesday, a short few hours after they reportedly "clouted" about 20 cars in the city.

An officers' hunch was responsible for the quick arrest.

According to Police Chief George Potter, calls started coming into the police station at about 8 a.m. Tuesday, reporting missing minor items such as fog lights, side mirrors, flash lights from glove compartments, and other impedimenta. They were apparently taken during the night.

All officers were told to be on the lookout for the loot.

Officer Tom Stovall spotted a "cut down auto" near Nealon park ball park, and decided to investigate.

In it, he discovered a tool box which fitted the description of one reported missing. Further questioning resulted in a confession by the car's owner that he had participated in Monday night's raid.

The boys had gone to a motion picture, police learned, and had started looting vehicles thereafter.

Police were continuing to investigate, but said they would turn the matter over to juvenile authorities.

The "Answer Man" in our office doesn't charge a cent

A lot of people have the idea that once you step inside a broker's office, you have to buy stocks, or, at least, you have to pay for the information you get.
That's not the way we do business.
All the facts and information we have, all our graphs and charts, all our answers to your questions, won't cost you a penny. Want to know which stocks have paid dividends regularly? We'll tell you. Want to know which stocks on the New York Stock Exchange paid the highest dividends last year? Want to know which stocks we think offer attractive investment opportunities? Ask us, and you'll get the answers. Free.
Only when we execute your order to buy or sell securities do you pay a commission (*on the average, the commission runs around 1% of the purchase price or proceeds. On very small orders, 100 dollars or less, the commission may be 6%; on larger orders, as small as one-fifth of 1%*). So come in with your questions and fire away.

Construction Soon:

New Type Radio Telescope Will Scan Sun from Site Near Menlo

A new type of radio telescope soon will begin exploring the sun's turbulent atmosphere from an observation point on the Stanford University campus, near Menlo Park.

Professor Ronald N. Bracewell, a new member of Stanford's radio propagation laboratory, will direct the project.

Dr. Bracewell told the Recorder this week that a meadow near the entrance to the university's isolation hospital, off Alpine road, is "90 per cent certain" to be the site for the apparatus.

Other sites were being considered, however, for use in case tests show that autos using the nearby highway will create interference sufficiently heavy to disrupt the astronomical work.

Construction of the apparatus, which will possess the finest scanning ability yet achieved, is being financed by grants totalling $143,000 from the Air Force Office of Scientific Research. Preliminary design studies have been financed by the research corporation.

Called a microwave spectroheliograph, the device will consist of 32 parabolic aluminum antennas,, known as "dishes." These will be aligned in two rows to form a huge cross occupying the level, two-acre site.

SCAN SUN SURFACE

The dish antennas will scan the sun's surface in the same way a television camera scans its subject to produce a picture. But the antennas will pick up solar microwave radiations in the 3000-megacycle region, rather than light waves.

The photograph produced by this technique will show the mysterious solar "chromosphere" — a billowing layer of incandescense rising to heights of 6000 miles above the sun's surface.

As yet science knows very little about the chromosphere, although it was discovered many years ago at the time of solar eclipses. With the development of radio astronomy in the postwar years, there has been a renewed effort to probe its secrets. It is believed to have some connection with sun spots, which in turn are related to magnetic storms that disrupt radio communications.

Dr. Bracewell joined the faculty at Stanford last year. He was formerly a research officer with the Commonwealth Scientific and Industrial Research Organization at Sydney, Australia, a world center of radio astronomy research.

"We know the apparatus will work," he said, "because its two basic principles have already been tested by scientists at Sydney. These are the parabolic antenna idea, and the arrangement of long lines of antenna in a cross.

"What will be new here is the combining of these two principles into a spectroheliograph.

"The bigger the antenna, the finer its scanning ability," he explained. "Our individual dishes will be only 10 feet in diameter, but each line of them will be 350 feet long. This will give up the same photograph that a single 'steerable' parabolic antenna 350 feet in diameter would produce, but which would be impractical to build.

FINE DEFINITION

"We will be able to scan solar areas as small as three-thousandths of one square degree. This definition is much finer than anyone has yet achieved in radio astronomy or in radar."

The 32 antennas will look straight at the sun, scanning its surface in unison, and following automatically as it crosses the sky. A photograph of the entire solar orb will be completed in about two hours. Clouds will not affect antenna efficiency.

Preparation of the site will begin this summer, Dr. Bracewell said. He hopes to have the radio telescope in operation by the end of the year.

SRI House Organ Gets Recognition

(SRI) — Stanford Research Institute's house organ, "SRI Staff Notes," received an award of excellence last week from the International Council of Industrial Editors.

The publication was presented its certificate at the annual awards luncheon of the ICIE held Thursday at the Ambassador Hotel in Los Angeles. The luncheon was the final event in a four-day conference attended by nearly 500 industrial editors from across the nation and northern Europe.

Editor of SRI's winning publication was Paul W. Johnson of the Institute's public relations department.

In the awards program more than 900 publications in eight categories were judged on the basis of writing, photographs and layout plus achievement of stated goals.

"SRI Staff Notes" won its award in the internal news bulletin class.

Featured Speaker At SD Gathering

SAN DIEGO (Special)—Franklin Graf, vice-president of the A. C. Nielsen & Co., Menlo Park, was a featured speaker at the 37th annual meeting of the Agricultural Council of California, held in San Diego, June 25-27.

Graf spoke on "Finding Our Best Markets" to the 400 directors and key management personnel of 59 farmer cooperatives, representing 92,000 farmers throughout the state.

By far the largest cooperative organization of its kind in the nation, the council built their meeting around three subjects: "Members—Our Most Important Asset"; "Operating Our Cooperatives"; and "Marketing Our Products."

For Dogs:

DUCATS DUE

July 1 is deadline day for the purchase of dog licenses for the 1956-57 year, Poundmaster Lucien Lacroix reminded pet owners this week.

And, he added, as of Sept. 1 —60 days further on—a $2 penalty charge will be added to the regular license charge.

Charges are $2 for licenses for a male or neuter, $3 for females.

All dogs over six months of age must be licensed.

Cub Pack 118 Meets at Flood Park in Summer

Pack meetings for Cub Pack 118 during June, July and August will be held at 7:30 at Flood Park, according to new Cubmaster W. W. Swinney.

Those interested in family picnicing before the meetings may come to the park at 6 p.m., it is suggested.

The final regular pack meeting of the school year was held on May 28, at which time Brad Vermillion introduced Sweeney to the Cubs and their parents.

Theme for the month "Hobos" was personified by Cubs of Den 7 who played in a hobo band and Mrs. Doris Grissom, who sang, "Nobody Knows the Trouble I've Seen", with all participants dressed as hobos.

Awards were given to the following Cubs:

David and Danny Dollar, Greg Grissom, Gary Versallino, Mike Foss, Larry Herbst, Dennis Snyder, Joe Evans, Lance Rystad, Neil Payne, Mike Lytell, John Dewey, John Karragas, Gary Harville, James Moore, James Klawin, Brent Ritchie, Charles Page, Pat Trapp, Steven Guarino, Dennis Davis, Mike Pierce, John Simmonini, Danny Wallace, Jackie Rowley and a one year pin to Mrs. Grissom.

Barnaby Lew was inducted into Webelos.

As further entertainment, Cubs and parents of Mrs. Vermillion's den two presented a comical hobo skit and songs were led by Cy Snyder.

With a total sales of $197.00 for Scout-O-Rama tickets by the Pack, Brad Vermillion, Jr. was top salesman and has a prize in store for his efforts.

At the Scout-O-Rama Cub Pack 118 received a blue ribbon for their display "Cubbing, a 12 months program". Peter Karragas acted as chairman.

Cubs Visit Police Station in P. A.

Eight members of Den 3, Cub Scout Pack 208, last Thursday toured the Palo Alto police station, accompanied by Mrs. Stanley Rowley, Den Mother, and Mrs. Thomas Tasso, a parent.

Boys making the tour included Ronnie Bruno, Gary Fernandez, Lester Mayem, Louis Fazio, Thomas Tasso, Frederick Oliver, Creagh Yates, James Serna. Jackie Rowley went along.

Pack 208 is sponsored by Kavanaugh school PTA of East Palo Alto. They are touring a creamery, also in Palo Alto, tomorrow.

GRASS FIRE

Menlo Park Fire District firemen were Thursday evening called to Alameda de las Pulgas and Oakley avenue, where a grass fire of undetermined origin had been detected.

'Housework'

Major Maintenance Projects Set For Schools Here During Summer

Several major projects—two of them requiring work by outside contractors but the bulk of them being done by the Menlo Park School District's own maintenance staff—will be undertaken during the summer just ahead, it was announced this week by Business Manager John Richert.

Four of the district's five schools will be the scene of continuous activity during the early summer and, during the last three weeks of vacation, the entire maintenance crew will "turn to" washing windows and furniture, waxing floors and cleaning woodwork at all five schools.

The projects to be undertaken by outside contractors will include exterior painting of Encinal school and completion of the primary graders' play area at Oak Knoll.

Maintenance men, headed by Forman Ray Harper, won't be idle in the meantime, however; they'll be busily engaged in such projects as moving partitions at Laurel school, to make two more small classrooms available; doing some "surgery" on oak trees at Oak Knoll school to render them safer, and similar projects.

At Oak Knoll, Richert said, another major project will be the construction of a fence between the school's parking area and upper-grade play area.

At Hillview, work to be done include relocation of the library in its original room, and the removal of a partition which now subdivides the music room at the school.

While contractors are busily at work on Encinal's exterior, the district's crew will be at work inside, repairing ceilings of hallways, and lavatories.

There will also be "touch up" painting done at all schools.

As the reopening of school draws near, the regular "housework" will get underway at all schools. The work is being scheduled for late in the summer, Richert said, not only because it will start the classrooms with a "fresher" appearance in the fall, but also because the full maintenance crew will be back from vacations at that time.

County Has Dates For Jobs Exams

San Mateo county civil service commission this week listed closing dates for filing to take examinations for 14 different categories of jobs in the county.

Persons residing in the county wishing additional information may obtain it by calling at the civil service commission's office at the courthouse in Redwood City.

By dates of the closing of filing, positions open are:

July 2: Tabulating equipment operator, key punch operator, junior engineering aid, tabulating system supervisor, equipment operator, road forman, grade II.

July 16: Addressing machine operator.

Open: Public Health Nurse, grade II; typist clerk, grade II; vocational nurse; typist clerk, grade I; diet aid; dietitian; laborer.

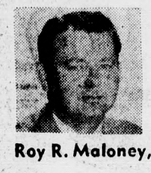

Gets Scholarship

Warren R. Carmichael, son of Mrs. M. K. Subboton of 323 Lexington drive, has been awarded a summer job at radio station KDKA in addition to a $100 scholarship from Penn State, it was announced this week.

WHAT'S DOING
Roy R. Maloney, your Telephone Manager in Menlo Park

A telephone helps plan for pleasure
Here's a picture of a family starting a pleasant weekend vacation trip. And here's how they planned it. His wife called the sports shop to see that their tennis rackets were restrung. She phoned the cleaners, too, about that suit she wanted to wear. And they arranged, by telephone, for the neighbors to feed the cat. He called ahead for reservations and they're off. Sure—this is a special occasion. But even if it's everyday, the telephone is always ready to do so many things, so quickly, and with so much convenience. The men and women of Pacific Telephone work to make your telephone more useful every day.

425 years of service represented at party
On May 29th at the Chez Yvonne restaurant in Mountain View a Pin-Party dinner dance was celebrated by over 200 telephone employees from the plant, engineering and construction departments.
The awards were presented by Mr. A. MacDonald, District Plant Superintendent and Mr. C. Grant, District Construction and Engineering Superintendent.
The photo above shows the entire group of employees who received their service pins. Standing from left to right: Mr. MacDonald, L. Howard (15 years), J. Hanon (15 years), L. Barber (30 years), W. Erickson (15 years), G. Willis (15 years), P. Anderson (15 years), W. Skinner (20 years), L. Chaney (15 years), G. Powers (15 years), G. Barry (15 years), R. Henkle (15 years), J. Dunlap (15 years), A. Nielson (15 years), D. Clark (15 years), F. Vercellino (15 years), G. Barber (15 years), and Mr. Grant. Those sitting, from left to right, M. Cronin (15 years), F. Gaier (35 years), E. Spiller (10 years), and Dave Stolt (35 years).

LEGAL NOTICES

NOTICE OF TRUSTEE'S SALE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that, on Friday, the 13th day of July, 1956, at the hour of 11:30 o'clock A.M. on said day at the Main Entrance of the County Court House, on Broadway Street, in the City of Redwood City, County of San Mateo, State of California, the undersigned, THE SAN FRANCISCO CORPORATION, a California corporation, as Trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States of America, payable at the time of sale, the following described real property situated in the County of San Mateo, State of California:

Lot 5 as shown on that certain map entitled "Tract No. 677 Sharon Court, San Mateo County, California," filed in the office of the County Recorder of San Mateo County on June 3, 1954 in Book 39 of Maps at page 5.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in and by a certain Deed of Trust executed by Richard E. Fifer and Dorothy R. Fifer, his wife, also known as Dorothy Fifer, as Trustors, to said THE SAN FRANCISCO CORPORATION, as Trustee, for the benefit and security of The San Francisco Bank (the name of which has been changed to First Western Bank and Trust Company), a corporation, as Beneficiary, dated November 3, 1954, and recorded on November 8, 1954, in the office of the Recorder of the County of San Mateo, State of California, in Volume 2684 of Official Records at Page 51.

Notice of defaults in and breaches of said obligations and of the election of said Beneficiary to cause said real property to be sold was recorded in the office of the Recorder of the said County of San Mateo on February 27, 1956, in Volume 2974, at page 561, of Official Records, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned Trustee by said Beneficiary.

Dated: May 29, 1956.

ORDINANCE No. 278
Amending Ordinance No. 228 of the City of Menlo Park

The City Council of the City of Menlo Park does hereby ordain as follows:

SECTION 1:

Ordinance No. 228 of the City of Menlo Park, particularly Section 9, Sub-section E., 9 (a) thereof, is hereby amended as follows:

(a) Sub-paragraph (4) entitled "Off-Street Parking" is amended to read as follows:

"Off-street parking: Off-street parking, paved and laid out in conformance to the minimum street paving standards of the City of Menlo Park, shall be provided in a minimum ratio of one off-street parking space for each 200 square feet of gross floor area of the building. In general, the one space for each 200 square feet of gross floor area will be used for office buildings and those buildings where relatively little customer generated traffic is involved. Off-street parking areas will not be developed in any required front yard or loading area, nor will such parking be developed in the required side yard facing the street on a corner lot."

(b) Sub-paragraph (10) is hereby added thereto, reading as follows:

"Use or Occupancy Limitation. Each site in this land use district shall be limited to no more than one use or occupancy per acre of land area; and each use or occupancy must obtain a Use Permit through the procedure outlined under the above item (9)."

(c) Sub-paragraph (11) is hereby added thereto, reading as follows:

"All utilities in this land use district shall be constructed underground. Existing utility poles on Middlefield Road are not affected by this provision other than all services from them must be placed underground and all transformers must be placed underground or on the ground in a manner approved by the Planning Commission under architectural control. Any transformers placed on the ground level shall be screened by suitable fencing or landscaping treatment."

SECTION 2:

All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3:

The Land Use Zoning Map of said City (adopted by said Ordinance No. 228), is hereby amended to conform to the provisions of this Ordinance; and, the required notations on said map, conforming to the provisions of this Ordinance, are hereby ordered to be made as of the effective date hereof.

SECTION 4:

This Ordinance shall be published once in the Menlo Park Recorder, a newspaper of general circulation, printed, published and circulated in the City of Menlo Park, and shall take effect thirty days after its passage and adoption.

INTRODUCED this 12th day of June, 1956.

PASSED AND ADOPTED as an Ordinance of the City of Menlo Park, at a regular meeting of the Council of said City on the 26th day of June, 1956, by the following vote:

AYES: Councilmen: Andrus, Bonde, Ford, Burgess and Lawson.
NOES: Councilmen: None.
ABSENT: Councilmen: None.
APPROVED:

GEORGE S. FORD,
Mayor of the
City of Menlo Park.

(SEAL)
ATTEST:
MARGARET A. BECKER,
City Clerk.

NOTICE OF AWARD OF CONTRACT
Improvement Project No. 1955-1

NOTICE IS HEREBY GIVEN that the City Council of the City of Menlo Park, by Resolution No. 1130 (q), passed and adopted at a regular meeting of said Council on the 12th day of June, 1956, did award a contract for the doing of the work and improvements, and furnishing the materials, supplies and equipment necessary therefor, to BAHR & LEDOYEN, Inc.

NOTICE IS FURTHER GIVEN that said BAHR & LEDOYEN, Inc., was the lowest responsible bidder for the doing of the work and improvements and furnishing the materials, supplies and equipment necessary therefor, which work and improvements is particularly described in Resolution No. 1130 (e) passed by the City Council on February 23, 1955, to which Resolutions reference is hereby made for further particulars.

DATED: June 12, 1956.

MARGARET A. BECKER,
City Clerk.

Published: June 21, 28, 1956.

NOTICE OF HEARING
(Rezoning)

NOTICE IS HEREBY GIVEN that the City Council of the City of Menlo Park will hold a public hearing, pursuant to the provisions of Section 15 of Ordinance No. 228 of said City, on the application of the FIRST CHURCH OF CHRIST SCIENTIST, P. O. Box 417, Menlo Park, California, to rezone the following:

(a) From its present classification of "C-1" (Professional-Administrative) to another or different classification of "R-1-S" (Suburban Residential) the following described real property:

The one acre site located on the southeasterly side of Ravenswood Avenue, beginning approximately 268 feet southwesterly of Middlefield Road and being approximately 175 feet in width with an average depth of 250 feet.

(b) From its present classification of "C-1" (Professional-Administrative) to another or different classification of "P" (Off-Street Parking) the following described real property:

The one acre site adjoining the southeasterly boundary of the aforementioned parcel and being approximately 175 feet in width with an average depth of 250 feet.

NOTICE IS FURTHER GIVEN that said hearing will be held on Tuesday, July 10, 1956, at the hour of eight o'clock P. M., in the Council Chambers of the City Hall, Menlo Park, California, at which time and place any and all persons interested may appear and be heard with respect to said matter.

Reference is hereby made to the application and other documents connected therewith, including Ordinance No. 228, and the recommendation of the Planning Commission of the City of Menlo Park in connection therewith, on file with the City Clerk of the City of Menlo Park, California, for further particulars.

Dated: June 12, 1956.

MARGARET A.BECKER,
CityClerk.

Published: June 28, 1956.

CITATION
No. 7211

In the Superior Court of the State of California in and for the County of San Mateo
IN SEPARATE SESSION AS JUVENILE COURT
In the Matter of MICHAEL WAYMAN,
A child who should be declared free from the custody and control of his parent or parents.

THE PEOPLE OF THE STATE OF CALIFORNIA TO:
SANDRA SWEETLAND
L. J. WAYMAN
JEAN LANE AND JACK LANE, her husband, and ALL THE RELATIVES OF SAID MINOR CHILD, MICHAEL WAYMAN, GREETINGS:

By ORDER OF THIS COURT, you are hereby cited and required to appear before this Court at the Courtroom, Department No. 1 thereof, in the Courthouse, City of Redwood City, County of San Mateo, California, on WEDNESDAY, the 15th day of August, 1956, at 9:45 o'clock A. M., of that day, then and there to show cause, if any you have, why the petition on file herein praying for an order of this court, declaring the above-named MICHAEL WAYMAN to be an abandoned child, and that he be freed from the custody and control of his parents as provided by the Welfare and Institutions Code of the State of California, should not be granted, by order of the Superior Court of the State of California, in and for the County of San Mateo, sitting in separate session as Juvenile Court.

Dated this 20th day of June, 1956.

JOHN A. BRUNING,
Clerk,
By ANNA MAES,
Deputy Clerk.

Menlo Park Sanitary District
San Mateo County, California
CONTRACT No. 14
ADVERTISEMENT FOR PROPOSALS
Repair of Digester Tanks and Replacement of Piping and Equipment, Menlo Park Sewage Plant

Pursuant to law and to Resolution No. 290 of the Board of Directors of the Menlo Park Sanitary District, sealed proposals for the construction of sewage treatment facilities endorsed "PROPOSAL FOR THE REPAIR OF DIGESTER TANKS AND REPLACEMENT OF PIPING AND EQUIPMENT" addressed to the District Secretary, will be received by the District Board of the Menlo Park Sanitary District, San Mateo County, California, at the office of said District, 450 C Street, Menlo Park, California, until the hour of eight (8:00 P. M.) California Daylight Saving Time, on the twenty-third of July, 1956, and at that time or as soon thereafter as practical will be publicly opened and read in said office of the District.

The work comprises the furnishing of all material and labor for the repair of the two digester tanks located approximately 5000 feet north of the intersection of Bayshore Highway and Marsh Road.

Each proposal must be accompanied by a certified check or bidder's bond issued by a recognized surety company made payable to the Menlo Park Sanitary District, San Mateo County, California, in the sum of at least ten (10) per cent of the aggregate of the proposal, such guarantee to be retained as liquidated damages should the bidder to whom the contract is awarded, fail to contract.

The complete Contract Documents may be examined at the office of the Menlo Park Sanitary District, 450 C Street, Menlo Park, California, or at the office of Geo. Washington, Structural Engineer, 204 Sacramento Street, San Francisco, California. Copies thereof will be furnished by the Menlo Park Sanitary District, 450 C Street, Menlo Park, California, to the intending bidders upon request and upon payment of a deposit of fifty dollars ($50.00), payable to the Menlo Park Sanitary District. All such deposits will be refunded upon the return of the Complete Contract Documents in good condition or in case they are used in filing a proposal, within thirty (30) days after the opening of the bids.

No informal or irregular proposals or propositions for doing the work will be considered by the District at this time. It is the desire and purpose of the District Board to let the Contract for the work as a whole. The District reserves the right to reject any or all proposals and to determine which Proposal is, in its opinion, the lowest responsible bid and that which it deems to be in the best interest of the District to accept.

The general prevailing rate of per diem wages, for laborers and each craft of type of workmen and mechanic employed to execute the contract and the general prevailing rate for legal holiday and overtime work, specifically set forth in the General Stipulations of the contract, are referred to and incorporated herein and will be incorporated in the contract for this work.

Dated: June 28, 1956.

LAWRENCE H. COOK,
District Secretary,
Menlo Park
Sanitary District,
Menlo Park, California.

Published: June 28; July 5, 1956.

K of C St. Denis Council Names Officers for Year

Fred Butow has been elected to the office of grand knight of St. Denis council, Knights of Columbus, for the coming year, and will replace John Keefer in that office at installation rites to be held on July 5.

Keefer headed the council for its first year of operation and, a spokesman said this week, success of the organization has exceeded all expectations.

Butow heads a slate which will include John Shannon, deputy grand knight; Larry Costa, chancellor; Sid Frantz, warden; Charles Stephens, advocate; William Finnegan, recording secretary; Joe McLaughlin, treasurer; David and Adrian Dioli, outside guards; Henry Gilroy, inside guard; Keefer, three-year trustee and Earl Revard, one-year trustee.

Thomas Kearney was appointed to succeed himself as financial secretary.

The July 5 installation will be conducted at Church of the Nativity Hall, under the leadership of District Deputy Thomas Dolan.

It was announced at a recent meeting of the group that the council's annual picnic will be held on Sunday, July 22 at San Mateo County Memorial Park.

Soft drinks, ice cream and incidentals will be furnished by the council, but lunches are to be packed for families by the members.

PRIEST FOR 25 YEARS

FATHER RICHARD T. HOWLEY, pastor of St. Francis of Assisi church in East Palo Alto paused Sunday, briefly, to cut the anniversary cake at a reception in his honor following a solemn High Mass celebrating his 25 years as a Catholic priest.

46-Year Resident Fred Paris Dies in S. F.

Funeral services were held on Monday for Fred August Paris, a resident of Menlo Park for the past 46 years who died last Friday at a San Francisco hospital at the age of 74.

Paris, who had been a San Mateo county employee before his retirement several years ago, had made his final home at 1301 Mills street. His death followed an illness of about four weeks.

A member of the Fraternal Order of Eagles for the past 51 years, Paris was a member of Redwood City Aerie 418

Survivors include his widow, Mrs. Mary Paris and four daughters: Mrs. Mike Corradi, Mrs. Horace Siino, Mrs. John Skrabo and Mrs. Ed Silva, all of Menlo Park. Ten grandchildren also survive.

Funeral services were conducted from the Johnston and Tinney Colonial Chapel at 650 Live Oak avenue, with Requiem Mass conducted at the Church of the Nativity here.

OBITUARY

Mrs. Blanche Leitch

The body of Mrs. Blanche Noble Leitch, 79, was shipped to Detroit, Mich., for burial this week, after the woman's death here Saturday.

Mrs. Leitch had made her home during the past 18 months with Mrs. Helene Hodson of 1775 Holly avenue in this city. She had been in poor health for some time.

Besides her daughter, she is survived by a sister and a brother: Mrs. S. F. Knapp of Mount Clemens, Mich., and Verner Noble of Detroit.

She was a native of Canada.

Area Phones Ring Again Today As 160 Learn Want Ads Work

More than 160 telephones in the south San Mateo County area are starting to ring this morning at the Want Ads go to work again.

As that many users learn the quick results available through the combined Want Ad section of the Menlo Park Recorder, Ravenswood Post and Mid-Peninsula Buy Word, residents of the area are finding a fascinating array of items offered for sale.

Do you want an opal ring—a boat—a fur stole—a new house—a bantam chick—an antique iron bed—a bale of oat hay? You'll find them all in this week's Want Ads.

Last week the ringing telephones sold, among hundreds of items, two duplex lots in Mountain View, boxer puppies, stoves, vacuum cleaners, a two-wheeled trailer, and washing machines and television sets, as well as renting living quarters and finding jobs for persons seeking employment.

19,000 HOMES

Your message in the Want Ads will go into more than 19,000 homes in the Menlo Park, Atherton, Woodside and East Palo Alto area—all right nearby for fast action. A Want Ad costs only 40 cents a line (minimum charge 80 cents), so phone DAvenport 3-6118 to place your own message in this busy market place. Ask for Mrs. Banks; she will be glad to help you plan your ad. Or drop in at the Recorder office at 640 Roble avenue, Menlo Park.

Deadline for the Thursday publications is 11 a.m. Tuesday.

There are 10,375,000 acres of grassland in California.

San Mateo county bears the Spanish name of Saint Matthew.

MENLO PARK MID PENINSULA BUSINESS DIRECTORY

INSTRUCTION THAT MAKES DANCING EASY is offered at the Arthur Murray Studio, 585 Glenwood avenue, Menlo Park, (DAvenport 3-5848) owned and operated by Jack Ballgae and Peter Mock. Studio has been open for more than a year, having moved here from Palo Alto. Ballgae, who manages the Menlo Park studio, has been with Arthur Murray Studios for more than 10 years, and has had extensive experience in dance instruction. Private instruction is offered at the studio, and every other Friday night a party is arranged for the students. Personal attention and expert instruction is given by all the instructors who have been specially trained. Students may enroll for as many courses as desired. Studio is open from 10 a.m. to 10 p.m. daily, except Saturday when it closes at 6 p.m.

NORTH FAIR OAKS VARIETY AND HARDWARE, 3212-14 Middlefield Road, Menlo Park, has been at the same location for 13 years, and is owned by James G. Craft. This store is a complete general merchandise shopping center, and is one of the outstanding ones on the peninsula. Craft says he carries everything from aspirin to zippers, and the store is open daily from 8 a.m. to 9 p.m., and on Sundays from 8 a.m. to 6 p.m. Thrift Script stamps are given with purchases, and double stamp day is every Monday. Customers may also charge purchases on the convenient charge-key way. Craft is a member of the Chamber of Commerce, and a past president of the Lions Club. The store is staffed with 12 full-time employees insuring prompt and courteous service at all times.

JOHNY'S CAFE, situated at 3001 El Camino Real, is one of the popular restaurants in the community which serves luncheon and dinner, and specializes in steaks prepared to please the most exacting gourmet. Johny Ugliono is owner of the establishment, and he has been in business here from 1939 to 1945, and from 1947 to the present time. Featured at the restaurant and cocktail lounge are fine foods, and pleasing refreshments. The restaurant is open for luncheon from noon until 2 p.m., and for dinner from 5 p.m. to 9:30 p.m. Cocktail lounge is open from noon until 10 p.m. The establishment is closed on Sunday. Telephone number of the cafe is EM 8-0287. Ugliono is a member of the Elks lodge, and the Fraternal Order of Eagles. He resides in Redwood City.

The Onlooker

By DENNIS ANDERSON, Recorder Sports Editor

Summer Basketball Is Coming Back to Menlo; And League Looks Even Faster Than Before

Summer basketball is coming back to Menlo Park and this year's league promises to be even better than the one which had the entire Peninsula taking notice in 1952. . . . That was the circuit which featured the varsity teams of the following year at Sequoia, Palo Alto and Menlo-Atherton. . . . Guys like All-PALers **Frank (The Bird) Rodriguez, Dick Farman** and **Rinky Babka** were sprinkled through the lineup of every team. . . . The circuit died off for lack of an organizer after that but **Tom Crane,** All-CBA guard and last season's San Jose State cage captain, is getting together six fast clubs to revive the loop this summer. . . . Tom says the loop can still be expanded if more teams are interested, but registration must be made before next Monday. . . . There are no residence requirements for play. Any 'teen-age or young adult team may enter. . . . Contact Crane weekdays at Belle Haven school or at home evenings at DAvenport 5-2120. Or contact **Stan Sexton** of the Recreation department at Burgess Gym or by cailing DAvenport 2-1727. . . . Co-directors of the league along with Crane, are **Jim Losciutoff,** pro star of the Boston Celtics; former Menlo-Atherton all-leaguer Farman, and **Bill Loftus,** lightweight coach at M-A. . . . Games will be played Monday and Wednesday nights at Burgess, starting next Wednesday.

★ ★ ★ ★

ADD SELECTED SHORTS: For the first time in his life, Menlo-Atherton Athlete of the Year **Hal Turner** is shying away from competition this summer. . . . Hal is working in a service station full time. "Three sports a year at school and then summer baseball, too, is pretty tiring," Hal explains. "I intend to go out for three sports again next year, but I've already told **Bob Ayers** (M-A athletic director) that I'm going to have to take a week or so's rest between them." . . . **Bill Hilton** encountered that same difficulty last spring. . . . Look for still more downward revisions of the prices at Palo Alto Muny Golf Course. . . . The course directors are finding out that high tariffs don't pay for a layout very fast if people won't come out and pay that much to play. . . . **Bob Poole's** days with the San Jose Josox are numbered. When Manager **Dick Whitman** acquired Coast League slugger **Joe Brovia** last week, big **Don Gile** was moved in from the outfield to take over the catching role and Poole, sticking a weak .194 in 60 games, was benched. . . . Former Menlo College star **Chuck Reynolds** is having a rough go with the Josox. He is hitting just .164 in 22 games since his graduation from San Jose State and has struck out 31 times in 67 at bats. . . . **Jimmy Campbell** has been sent from Billings of the Pioneer League to Douglas, Ariz., of the Class C Arizona-Mexico League but is still having his troubles. Campbell, starting at third base, is hitting only .261 after six games, but has two doubles, a triple and a home run. . . . He hit .240 at Billings. . . . **Ray Young,** former Stanford chucker, made his professional debut with Billings last Thursday. He smashed one single in three trips, scored twice, walked twice and played flawless defensively at third base. . . . Despite his brilliant collegiate pitching career, Young said he hoped to make it in the pro ranks as an infielder. . . . He'll probably get some of both with Billings.

Have Surprise Win:

Off to Fast Start, Rec Department Senior Baseball Nine Faces Palo Alto Sunday

Menlo Park recreation department's Seniors baseball team, made up of older high school boys, delivered a happy surprise Sunday by beating Millbrae 13-0, in their opening game of the season at Capuchino high school diamond.

The locals journey south to Palo Alto next Sunday, to open competition with an impressive Palo Alto Legion team at 2 p.m. The high school diamond there will be scene for the affray.

Coach Frank Bettencourt used three pitchers in beating the northern troops. Between them, they walked eight and struck out 13, however, and didn't give up any hits until the final canto. It was too late to do Millbrae any good.

Local fielding was good also, with but one error charged to the defense.

In contrast, Millbrae's pitcher, J. Manmion, gave up eight hits and walked 11 while his teammates committed six errors. In spite of this he went the distance.

Sunday's game will probably see school-year Paly high aces Ted Tollner or Dick Holden doing the pitching chores.

Both are judged to be pretty good.

Against them Bettencourt said he would probably use Mike Lewis, who was the starter last Sunday also. Roger Thompson and Donn Thomas are the other two who worked on the mound during that particular foray.

Others who have been assigned include Dick Calloway, c; Bud Corson, 1b; Jerry Baker, 2b; Adrian Ledda, ss; Wayne Marino, 3b; Pete Lee, lf; Donn Thomas, cf and Lindy Guerra, rf.

Big sticks in last Sunday's outing were wielded by Jerry Baker who got two hits including a homer with two on and Wayne Marino, who got two for four trips to the plate.

Juniors To Host San Carlos Here

Menlo Park recreation department's Junior baseball team opens play Saturday morning at Flood park ,with a talented San Carlos aggregation the first opponent.

Coach Frank Bettencourt's squad was still being formed early this week, since signups were conducted last week. There were about 21 prospects on hand last week but a few more of the lads—generally of first-year high school age—were showing up this week for practice.

Those on hand looked good, said Bettencourt, but pretty green.

Saturday's game at Flood park starts at 10 a.m.

Trampoline Class

There's still room for some aspirants in beginning trampoline classes being presented at Burgess park gym, it was announced this week by Mrs. Gayle Thompson, recreation director in charge.

Legion Nine Battles Adobe At Redwood

Righthander Bob Anderson, fresh off a four-hit triumph, will go to the post Sunday as East Palo Alto American Legion Post 472 seeks to hold its part of a three-way tie for first place in the District 26 baseball race against Menlo-Adobe Post 828 at Redwood City Community park. Game time is 2 p.m.

Other district games Sunday:

San Carlos vs. San Bruno at San Carlos (doubleheader), first game at 12 noon; Menlo-Adobe vs. Redwood City at Redwood City, 12 noon.

A full round of games will be played Independence Day next Wednesday. East Paly goes against San Bruno in a doubleheader at Redwood City beginning at noon and Adobe plays San Carlos in a single game at San Carlos at 2 p.m.

East Coach Dave Dahle announced the following lineup for Sunday's game:

Cliff Gwartney, ss; Charley Dahl, cf; Mike Mirsky, c; Jim Finegold, 1b; Larry Irwin, 3b; Jim Sherman, lf; Captain Don DeFeo, 2b; Ron Harris, rf; and Anderson, p.

Anderson was in control all the way as East Paly won its third in four starts, 10-1 over Redwood City last Sunday at Flood. He allowed just four hits, struck out five and walked three.

East salted away the game when it erupted for seven runs in the last inning. Five wild pitches by Redwood chucker Bob Wolger aided the rally.

DeFeo and Finegold each singled twice and Harris doubled to elad the seven-hit EPA attack. Finegold stole third base twice. Coach Dahle cited short stop Gwartney and center fielder Dahl for outstanding defensive efforts.

Ken Hadden's Arm Makes Seybold Tough

Ken Hadden is determined to pitch Seybold and Ferguson to its third straight American League championship. Hadden set down Judd and Wright with just three singles Saturday as the Realtors racked up a 8-1 victory.

Jim Saunders backed up Hadden's efforts with a two-run home run. Ricky Bremer singled in two runs and Roger Williams drove in two with a single and double.

The losers' three singles were by Hal Moore, Bobby Scott and Mickey Donofrio.

4½ Games in Front:

Sport Shop Seeks Early Title After Seventh Babe Ruth Win

PENINSULA BABE RUTH BASEBALL LEAGUE STANDINGS

Northern Division

	W	L	Pct.	GB
R. C. Knights	7	1	.875	
Menlo Greys	5	3	.625	2
Lowe Realtors	4	4	.500	3
Red Cottage	3	3	.500	3
Menlo Motors	1	7	.125	6

Southern Division

	W	L	Pct.	GB
P.A. Sp. Shop	7	0	1.000	
L.A. Red Sox	3	5	.375	4½
L.A. White Sox	3	5	.375	4½
Doug Couch	3	5	.375	4½
Spiro's	2	5	.286	5

Palo Alto Sport Shop appears determined to wrap up one of the earliest divisional championships in Peninsula Babe Ruth League baseball history.

The Sport Shoppers have won seven straight games and taken a huge 4½ game lead over the pack as the rest of the division members continue to help out by cutting each other's throats.

As of now, Sport Shop would have to win seven more of its remaining 11 games to cinch the title, but every time another Southern division team loses the magic number is reduced.

Howard Bertelsen will send his charges after No. 8 tonight against Spiro's at Jordan Junior High School. Other league games, all starting at 6 p.m.:

Los Altos Red Sox vs. Menlo Motors at Los Altos High School, Menlo Greys vs. Los Altos White Sox at Redwood City Community Park, Lowe Realtors vs. Red Cottage at Flood Park, Doug Couch vs. Redwood City Knights of Columbus at Menlo-Atherton High School.

Tonight's games will complete the first half of the schedule and standings will determine coaches for the all-star teams. For the third straight year it will be Jim Knecht of the Knights in the North and Bertelsen in the South.

Play resumes Saturday with the following 10 a.m. games:

White Sox vs. Red Cottage at Los Altos High, Greys vs. Red Sox at Community Park, Couch vs. Sport Shop at M-A, Spiro's vs. Menlo Motors at El Camino Park.

Lowe's and the Knights will meet at 2 p.m. at Flood.

Three-games-a-week play continues at 6 p.m. next Tuesday. The schedule:

Red Sox vs. Couch at Los Altos High, Knights vs. White Sox at Community Park, Menlo Motors vs. Greys at Flood, Red Cottage vs. Sport Shop at M-A, Spiro's vs. Lowe's at Jordan Junior High.

MORE BABE RUTH

More Peninsula Babe Ruth League news, including complete accounts of every game played the past week, will be found on Page 11, this section of the Recorder.

'Junior Olympics' Signup Now On

Entry blanks are now available for area swimmers under 16 years of age, for entry in the annual Junior Olympics Swim Championship meet to be held July 7-8 at Fleischaker pool in San Francisco.

The entry blanks may be obtained from the various recreation department offices on the Peninsula or by writing Al Mattern, 860 Howard street, San Francisco 19.

Area Golf Tourney Sees Davis Edged at 18th Hole

Menlo-Atherton high school's sophomore golf ace, Cliff Davis, Saturday wound up with runner-up honors in area tournament competition at Palo Alto's Municipal Golf Course, losing to Redwood City's Willie Hawley by two strokes in 18 holes.

Hawley almost blew his lead on the 18th green, but managed to hold his score down to 76. Davis got out of it with a 78, thereby staying ahead of two other area challengers.

These included John Bulkeley of Redwood City, who during the school year wears the blue and white of Menlo School and who came in third with an 87.

Atherton's David Monti came in fifth in the contention, scoring 92.

It's Lowe's vs. Lions Again For National League Lead

Mahaney Family Tops Swimmers In AAU Meet

The swimming Mahaneys of Atherton were the toast of West Coast swim circles this week after dominating competition in last week's Santa Clara Valley Open AAU swim championships at the Santa Clara Swim Club pool.

The Mahaneys' boxscore is as follows:

Mary—third in senior women's 500-yard freestyle, third in girls' 13-14 100-yard butterfly, first in 13-14 100-yard freestyle in meet record time of 1:00.3, second in junior women's 400-yard freestyle and second in the 13-14 100-yard backstroke.

Mike—first in the boys' 16 under 50-yard freestyle in new national record time of 23.4, third in the 15-16 200-yard breaststroke, first in the 15-16 100-yard butterfly in 1:00.3, first in the senior men's 100-yard freestyle in meet-record-breaking and Pacific Association-record-tying time of 53.2, first in the 15-16 100-yard freestyle in new meet, PA and national record time of 52.8.

Katie—second in girls 10 and under 50-yard freestyle, third in the 10-under 50-yard butterfly, first in the 10-under 50-yard backstroke in 36.5.

Other local swimmers also figured prominently.

Carol Tait of East Palo Alto was second in the women's open 200-yard individual medley and third in the women's 100-yard freestyle.

Karl McCrary was second in the boys' 10-under 50-yard freestyle and won the boys' 10-under 50-yard butterfly in new meet, PA and national record time of 32.2.

Ann Warner was third in the girls' 11-12 50-yard butterfly.

The above all participated for the Santa Clara Swim club.

In addition, Geoffrey Lapierre of Menlo Park, swimming unattached, won the boys' 6-under 20-yard freestyle in 15.3.

A total of one world, one American, even national age group, six Pacific association and 15 meet records were broken in the two-day meet.

'Tot Time' Sked Is Told by City

"Tot time" is held every weekday at five playgrounds in Menlo Park, officers of the city recreation department this week reminded residents.

The regular events, which feature stories, special events, and rhythm activities, from 11 a.m. to noon.

Seybold & Ferguson Maintains Edge in American Little League

Lowe Realtors and the Menlo Lions, who appear destined to battle it out again this year for the Menlo-Atherton National Little League baseball championship, square off for the third time in the season tomorrow to feature upcoming play.

The two powers, currently tied for first place a scant game ahead of the Menlo Kiwanis, battle at 5 p.m. tomorrow. Seybold and Ferguson seeks to retain its narrow lead in the even-up American League race at 6:30 p.m.

Both Seybold and Ferguson and the Lions endangered their positions yesterday by playing Van de Sande and the Kiwanis, respectively.

Schedule for the next week's games at the Menlo-Atherton Little League diamond, at the corner of Ravenswood and Middlefield opposite Menlo-Atherton High School:

TODAY

Shreve and Pryce vs. Judd and Wright at 5 p.m.; Lowe's vs. All American Market at 6:30 p.m.

FRIDAY

Lowe's vs. Lions at 5 p.m., Judd and Wright vs. Seybold and Ferguson at 6:30 p.m.

SATURDAY

Shreve and Pryce vs. Van de Sande at 2 p.m., All American Market vs. Menlo Kiwanis at 3:30 p.m.

MONDAY

Kiwanis vs. Lions at 5 p.m., Van de Sande vs. Seybold and Ferguson at 6:30 p.m.

TUESDAY

Judd and Wright vs. Shreve and Pryce at 5 p.m., Lowe's vs. All American at 6:30 p.m.

WEDNESDAY

Lowe's Realtors vs. Kiwanis at 5 p.m., Judd and Wright vs. Van de Sande at 6:30 p.m.

★ ★ ★

Arnaudo Menaces Home Run Record After 4th Circuit Clout

With every swing of the bat, Phil Arnaudo of Lowe Realtors becomes more of a menace to the Menlo-Atherton Little League home run record. Roger Postlewaite set the mark of six hours in 1953 and Arnaudo has rapped four out of the park in his first five games this season.

Big Phil lost No. 4 with two on in the first inning Tuesday to start Lowe's on the way to a 14-0 win over the Kiwanis. He also singled later in the game, giving him five hits this season and only one for less than four bases.

The Kiwanis got just two hits off three Lowe pitchers—Dave Wagner, Tom Shea and 9-year-old Don Abramson. Doug Brothers beat out an infield roller and Bob Kennedy doubled.

Lowe's broke the game open by combining five walks, four hits and an error for nine runs in the fifth. Wagner drove in two runs for the winner.

★ ★ ★

Marketmen Cold; Drop Third Straight

All American Market appears to have cooled off plenty in the months since the end of the last Little League season. The Marketmen were the hottest thing in the National League at the close of the 1955 campaign but they can't seem to get back on the track this year.

Coach Horace Aubertine's clan dropped its third straight last Wednesday 3-6 to the Menlo Kiwanis. Doug Brothers cut off a two-run AAM rally in the last inning to preserve the victory.

John Gaento hit two doubles and Mark Maloney singled and doubled for the losers. Bob Rodgers doubled and Bob Thornburg tripled for the Kiwanis. Jimmy Weichers was the winning pitcher.

Bob Scott's Double Gives Judd & Wright Nod Over Clothiers

Bob Scott gave Judd and Wright a tie for second place in the American League Tuesday. Scott doubled in two runs in the third inning to lead Judd and Wright to a 4-2 conquest of Van de Sande Clothiers.

Cubby Welch drove in for the winners' other two runs with a home run in the second and single in the third. Welch also saved the day when he came in as a relief pitcher with the bases loaded in the fifth and put out the fire.

Van de Sande was led by pitcher Mike Cruver. He rapped two singles and struck out nine, giving up just three hits.

★ ★ ★

On Page 11:

MORE L.L. NEWS

Accounts of the remainder of the past week's Menlo-Atherton Little League games, plus up-to-date statistics on the leading batters in each league, can be found on page 11, this section, of the Recorder.

Each week the Recorder carries thorough accounts of the highlights of each game of the preceding week, along with up-to-date standings, schedules of the next week's action and complete statistics on the leading players in both leagues.

Watch the Recorder during the season also for pictures of each team.

Rickey Bentley Tops Lions' Pennant Hopes

Rickey Bentley is becoming a very important man in the pennant plans of the Menlo Lions. Bentley, who already has thrown a no-hitter, ruined someone else's ace last Saturday by pounding two singles as the Lions tipped Lowe Realtors 6-4.

Bentley's hits were the only ones surrendered by Jim Hannay and Phil Arnaudo. Four of the winners' runs were unearned, with the two clinchers scoring on Dave Schindele's error in the fourth.

Arnaudo, who is threatening Roger Postlewaite's home run record, pounded a two-run circuit clout and hit a foul ball nearly 300 feet down the left field line. Marty Christiansen singled twice for Lowe's and Steve Mirsky doubled.

Blues, A's Win I League Games

Stanford Research Institute's Blues this week established themselves as a better baseball club than SRI's Grays, defeating the latter team by a 10-5 score in Menlo Park Industrial league play at Nealon Park Tuesday night.

The outing doesn't prove much, though, because there are lots of games yet to be played. And the same evening the A's, another aggregation from the Linfield Oaks professional - administrative zone, clobbered the US Geological Survey 24-2 to show how things can go.

Carson Flammer struck out seven batters while giving up six hits, to win for the Blues. He was backed up by Fred Hempy's batting, which featured two doubles during the course of the game.

George Plafker of the luckless USGS nine got the best hit of the evening in the nature of a home run. It didn't do too much good, though, since there was nobody on.

Wednesday evening the remaining I league game of the week started at 7 p.m., with the Menlo Park Public Employees meeting Hardware Mutual's group under the lights at Nealon.

And also last night, the week's round of B league games saw Menlo Motors and Derry's Feed and Fuel tangle at 9 p.m.

Tonight McQuarrie's Drugs and GC Liquors were to clash in the opener and the West Menlo Allstars and Latter-Day Saints were to head out onto the turf at 9 p.m.

First week's Industrial League games drew to a close last Wednesday evening, with Stanford Research Institute's Blues mauling the U.S. Geological Survey's nine by a 21-1 score.

In the B League's opening game, McQuarrie's Pharmacy just about ran away with everything in sight the same evening, getting 37 runs across while their opponents, the West Menlo Allstars, were held to 10 runs.

Whether this was the result of the new lighting at Nealon Park, or just the uncertainties of a season opener, will probably be determined in the next couple of games, observers predict.

That fielding could stand improvement was re-emphasized in the B League's Thursday night games, in which the Menlo Motors crew got 18 while Menlo Park Latter-Day Saints got 3.

The same evening, G-C Liquors got 13 and Derry's Feed and Fuel got 11.

Atherton's Rod Carveth May Compete In East Bay Sport Car Race Sunday

Two, and perhaps three, local sports car drivers familiar to thousands of enthusiasts will be missing from the starting lineup at Buchanan Field races Sunday.

Rod Carveth, in his green Auston-Martin, is the only local driver who may compete at the airport, five miles north of Walnut Creek in the East Bay.

Whether Carveth will race is dependent on the condition of his car, which captured at least five trophies at a Salt Lake City race last weekend.

Carveth, of Atherton, and Al Laws, of Millbrae, drove the fast sports car to a series of wins on the 2.3 mile course before the transmission froze up. This, coupled with unavailability of tires, may keep the car out of the Buchanan races.

Before encountering mechanical difficulty, Carveth won an award for the fastest lap time and placed fifth in the senior shakedown event. Laws took second overall in a novice shakedown and then went on Sunday to capture first place in the novice drivers' main event. It was during the main event on the day that Carveth encountered transmission trouble.

Carveth's team, according to the driver, is particularly proud of a Concours 'd Pits trophy awarded the group for their help in the pits. All of the local pit crew members received medals and Carveth was awarded a trophy for their assistance to other drivers.

KNOOP, TALBOT WILL NOT RACE SUNDAY

Both Fred Knoop of Atherton and Dr. Peter Talbot of Woodside, regular contestants in California sports car events will not drive in Sunday's race.

Knoop, who placed second in his class at Santa Rosa races last month and who has placed in a number of other non-production events with his Austin-Healey 100S, is currently recovering at home from a chest inflammation which will keep him out of action temporarily. He was hospitalized three weeks ago and returned home Monday.

Dr. Talbot expressed regret that he would not be able to drive his Volkswagen special in the Buchanan race. The Woodside obstetrician, who drives one of the smallest autos in his class (modified under 1500 c.c.), passed several larger cars to place fourth at Santa Rosa.

Over 135 drivers have already entered the SCCA-sanctioned race, which is sponsored by the Pleasant Hill Junior Chamber of Commerce.

One of the highlights of the non-production over 1500 c.c. race is sure to be a duel between John Barneson in his Hagerman Special and Louis Brero piloting his Kurtis-Cad. After leading the entire race at Santa Rosa, Brero lost by inches to Barneson.

The course at Buchanan Field features 11 tricky curves and has a 4200 foot straight-away allowing speeds exceeding 130 miles per hour.

Proceeds of the race will go for a proposed Community Center to be built in Pleasant Hill and for other youth welfare projects.

★ ★ ★ ★

POLESE TO DRIVE RACER JULY 7

Another racer, Richard Polese, will vie for a chance to compete in the Soap Box Derby finals at Akron, Ohio, when he races against other boys from the Bay Area July 7.

Richard will drive his Menlo Recorder Special against approximately 75 other soap box racers over a 200-yard course at Sunset boulevard and Ulloa street in San Francisco.

Winner of the event, which will be run in heats of three cars, will receive money to send himself and his car to the finals in Akron, Ohio, August 12. At Akron, nine prizes, ranging from a $5000 college scholarship to a portable radio, await the top drivers.

Richard's car, like all others in the race, may not exceed 250 pounds, including the driver and may not cost more than $15 plus the wheels and axles.

A drag brake is used to stop the car, while steering is by cables attached to a wheel.

★ ★ ★ ★

MODEL A'S TO BE IN REDWOOD CITY PARADE

Members of the newly-formed Model A Restorer's club are scheduled to drive their vintage autos in the annual July 4th parade in Redwood City. The group will meet at 891 Charter street, Redwood City, before the parade and then, after the event, hold a picnic.

Later, on July 22, the group will hold their first road run as a group when they journey to Mt. Diablo in the East Bay. Members of the Northern California group who live on this side of the Bay will meet at the approach of the San Mateo-Hayward bridge at 12:30 p.m.

A Model A "gymkhana, where drivers compete for prizes based on ability to drive, an automobile show and and overnight trip are on the docket for club members, according to a bulletin received from Bill Berger of Sharp Park, president of the local group.

BUILDS RACER FOR DERBY

PREPARES FOR RACE—Richard Polese is rushing completion of his soap box racer, which will run in an area contest in San Francisco July 7. Driver of the fastest car will receive the opportunity to compete in the Akron, Ohio, finals during August.

Sport Shop Rallies To Upset S & F

Shreve and Pryce may be a contender in the American League race for the first time since 1953. The Sport Shoppers came from behind to score six runs in the last inning and hand Seybold and Ferguson its first loss, 8-5, Monday.

Dave Harworth's inning-opening single was the only Shreve and Pryce hit in the uprising. The rest was done by six walks, two past balls, and heady base-running.

Rod Garner choked off the Realtors with four hits and struck out 10. Ken Hadden singled and doubled, Roger Williams doubled and Ricky Bremer singled for the losers.

Dick Kelly singled and doubled for two of the winners' three hits.

California produces 85 per cent of the nation's wine.

Clothier Scoring Keeps Hopes Alive

As long as Van de Sande keeps scoring lots of runs the Clothiers are going to be a threat in the Menlo-Atherton American Little League race. VdS tallied more than 10 times for the second straight day last Wednesday to whip Shreve and Pryce 14-6.

Scotty Campbell led the offense with two singles and two runs batted in while Edwards drove in two with a double.

Three of the losers' hits off Steve Berg were singles by Dave Harworth. Rod Garner drove in two of the Sport Shop runs. Berg struck out five.

* * *

Arnaudo Homers, Lowe's Whip Lions

Last Tuesday night it looked like Lowe's was going to make a runaway of the National League race again this year. The Realtors took the lead by whipping the Lions 14-5 Thursday.

Phil Arnaudo keynoted the triumph with a 200-foot home run with one on in the first inning. Steve Mirsky doubled and Tom Shea singled and doubled. Most of the scoring damage came in the second when Lowe's capitalized on four Lion errors.

Losing pitcher Rickey Bentley struck out seven in three innings. Bob Gugliemetti drove in two runs for the Lions.

LITTLE LEAGUE BASEBALL GAMES

S-F's Roger Williams Grabs 100-Point Lead In American Batting

Roger Williams of Seybold and Ferguson Real Estate is off to a flying start toward capturing most of the individual batting honors in the Menlo-Atherton American Little League.

Including Monday's games, Williams leads in batting with a .500 average, in hits (7) and is tied in runs (7) and doubles (3).

Players appearing in four games must have batted eight times and players in five games must have batted 10 times to qualify for the statistics compiled by David J. Lang, official statistician for the league.

AMERICAN LEAGUE
Leading Batters

	AB	R	H	RBI	Pct.
Williams, S-F	14	7	7	5	.500
S. Campbell, VdS	10	4	4	6	.400
Hadden, S-F	15	3	6	2	.400

Bob Scott Ruins No-Hit, No-Run Bid

Bob Scott stands as the only obstacle in the way of a no-hit, no-run game for John DeGracia and Roger Williams of Seybold and Ferguson. Scott got the only hit—a single in the third inning — to drive in the only run as his team lost 11-1 to the Realtors last Thursday.

Seybold and Ferguson broke a 1-1 tie in the fourth with a nine-run barrage off reliefer Marty Micheals. Three hits, three errors and five walks contributed to the shelling.

DeGracia and Williams combined for 12 strikeouts and five walks. Seybold and Ferguson got just three hits in the game—a two-run single by DeGracia and solos by Williams and Ken Hadden.

* * *

Kiwanis Display Muscled Attack

The Kiwanis is showing more offensive muscles this year than ever before in the National League. Kiwanis batters belted seven safeties in only three innings as they outpointed All American Market 10-8 last Friday.

To the delight of Coach Sal Carilli, the hitting was evenly spread with Mike Lovejoy—who singled twice—the only multiple hitter.

Lions' John Matthews Has Hot .600 Mark In National Bat Race

John Matthews of the Menlo Lions, an 11-year older in his second season as a regular, has taken the lead in the Menlo-Atherton National Little League batting race following the first 10 days of play.

Matthews is the official leader for games through Monday, according to statistics released by David J. Lang. Actually, Marty Christiansen of Lowe Realtors had the best average—six hits in seven trips for a phenomenal .857—but he had not been up enough.

Players appearing in four games had to bat officially eight times and players in five games had to bat 10 times to qualify.

Statistics through Monday:

NATIONAL LEAGUE
Leading Batters

	AB	R	H	RBI	Pct.
Matthews, Lions	10	5	6	5	.600
Mirsky, Lowe	11	4	6	3	.545
Bentley, Lions	13	1	6	2	.462
Lovejoy, Kiw.	9	3	4	2	.444
Gugliemetti, Lions	14	3	6	5	.429
Maloney, AAM	14	1	6	3*	.429
Summers, AAM	12	8	5	6	.417
Holback, Kiw.	9	3	3	1	.333
Arnaudo, Lowe	11	5	3	7	.273
Mulcahy, Lowe	12	4	3	3	.250
Wagner, Lowe	8	2	2	1	.250
Miller, Kiw.	8	2	2	1	.250
Shea, Lowe	9	5	2	3	.222
Wiechers, Kiw.	9	1	2	2	.222
Jones, Lions	14	5	3	3	.214
Hannay, Lowe	10	2	2	2	.200

Departmental Leaders
Runs—Summers (AAM) 8.
Hits—Six way tie with 6.
Runs Batted In—Arnaudo (Lowe) 7.
Doubles—Mirsky (Lowe) 4.
Triples—Thornburg (Kiw.) 1.
Home Runs—Arnaudo (Lowe) 3.
Strike-outs—Stoddard (Lions) 7.
Bases on BaBs—M. Bach (AAM) 8.

* * *

Bill Summers' Run Gives Market Tie

The baserunning of Bill Summers may keep All American Market in the National League race this season. Summers provided the Marketmen with a surprise 5-5 tie with the Lions Monday when he walked, took second on a ground ball, stole third and scored on a wild pitch in the last inning.

Summers was on base three of three times and also doubled for one of the two hits off three Lion pitchers. Ronny Pratt singled for the other.

Rickey Bentley and John Matthews each rapped three hits in three trips for the Lions. The Lions' downfall was traced to nine walks by Ronnie Perez, Darryl Dezur and Bentley.

* * *

Steve Swift Rough At Bat, on Mound

Steve Swift of Shreve and Pryce is proving to be as much of a threat in the American League with his bat as he is when he is on the mound.

Swift singled in the clinching run of a four-run fourth inning rally last Friday which gave Shreve and Pryce a 4-2 victory over Van de Sande. Jim Black got the other two hits off Clothier chuckers Pete Campbell and Paul White.

Des Conyers and Mike Cruver each rapped two hits for Van de Sande and Jim Edwards got the key blow of a two-run rally which gave the Clothiers a short-lived edge in the fourth.

Little League Team Play Continues

Although things were pretty even for the first two innings of the Ravenswood Recreation association-East Palo Alto Lions club Little League game last Thursday evening, a sudden burst of hits and walks against pitcher Roy Larson by the Lions players netted them a 15 to 3 victory. Mike Cady caught for Larson. When J. D. Pilkington replaced Larson, he took over as catcher to finish the game.

Menlo Greys May Figure Strongly In Babe Ruth

The Menlo Greys are serving notice that they will have to be reckoned with in the Peninsula Babe Ruth League Northern division race. The Greys topped the Red Cottage 14-12 Tuesday for their iifth victory in six starts to become the only team within striking distance of league-leading Redwood City Knights of Columbus.

The Greys muscled a tremendous 15-hit attack but Buddy Jones still had to stave off determined rallies in the last two innings. John Potter led the Grey hitting with two singles, a double, a triple, four runs scored and two batted in.

Herb Masi and Jones both tripled and singled and Court Smith drove in three runs with three one-basers. For the Red Cottage John Nash accounted for threae runs with two hits, Gene Kumagai and Larry Falstrom both also hit twice.

Monday, Roger Postlewaite fired a one-hit, nine-strike victory for the Greys over the Los Altos Red Sox 10-2 in a makeup game. Opposing pitcher Terry Neff ruined both the no-hitter and the shutout when he singled in a run in the fourth. Postlewaite walked eight.

Potter and Dave Lang both isngled and doubled. Jones drove in four runs with a single and double and Dallas Hall rapped two solos.

Righthander Bart Crawford of the Los Altos White Sox came up with the first no-hitter of the season Tuesday as he blanked Menlo Motors 14-0. The 14-year old fastballer struck out six and walked five, allowing just six base runners.

Greg Chiotti led Los Altos with a home run, single and four RBIs. Crawford himseif banged three for three, including a triple while Steve Sanor drove in four runs with two doubles and Garry Denn rapped two singles.

Lowe Realtors unleashed their hitting power for the first time this season and smashed Doug Couch 17-7. Lowe's had 15 hits in all.

Jim Hedge singled, doubled and tripled and Terry Maloney singled twice and tripled to lead the barrage. Stu Colpitts hit a three-bagger, Lynn Larson tripled and singled and Mike Mallin clouted two safeties.

Tom Jones doubled and tripled and Bill Skinner doubled for Couch.

Sport Shop lefty Tommy Bridges bested Red Sox fastballer Willy James 3-1. James fanned nine, walked six and Bridges whiffed 13 and passed two.

All three Red Sox hits came in the third. James singled in Terry Neff for the score.

Ernie Millan's squeeze bunt scored Rick Malloch with the tie-breaking run in the fifth. Brown Taylor led Sport Shop with two singles.

The Knights of Columbus had to make up a five-run deficit to beat Spiro's 10-6. Spiro's blasted Rhet Brandeburg off the mound in the second but were shut out the rest of the way by Pete Cocconi.

Tommy Knecht led the Knights with three singles, two runs and three RBIs. Tom Foley drove in three with two hits, Jim Cullen hit twice and Gary Hughes drove in two big runs with a triple and single.

Ernie Hanson got two singles and a triple to drive in two and Ted Gray hit a two-run homer for Spiro's

Al Pryal Could Be Difference for Lowe's In Babe Ruth Play

Lowe Realtors may have found that other pitcher they have been looking for. The Realtors, hurting for another frontline thrower, whipped Menlo Motors 6-3 Saturday as 14-year-old righthander Al Pryal fired a three-hitter.

In other Peninsula Babe Ruth League baseball games the Knights of Columbus shut out Red Cottage 10-0, the Menlo Greys bowed to Palo Alto Sport Shop 14-12, Spiro's edged the Los Altos Red Sox 9-8 and Doug Couch tipped the White Sox 13-11.

Pryal was in command of Menlo Motors all the way. The only solid blow against him was by Ron Simonini.

The Greys scored seven runs in the last half of the seventh inning and had the tying run on base when Dave Lang popped up to end the rally.

John Potter tripled and singled to account for three runs for the Greys. Court Smith, Roger Postlewaite and Herb Masi each singled twice and Masi drove in two runs.

For Sport Shop Bob Talbot and Tommy Bridges each pounded triples and each totalled three runs batted in. Ric Simpson and Eddie Hoffacker Jr. both doubled, Frank Place drove in three runs with two solos and Dave Vaile singled twice to score two.

Two 13-year-olds — Jan Billow and Ed Clark—accounted for the only Red Cottage hits off Knights' left-hander Don MacMullen. MacMullen struck out nine and walked five.

In Babe Ruth

Menlo Grays' Pitching Staff Raises Hopes

If the Menlo Grays continue to get effective pitching from the likes of Roger Postlewaite, Dave Lang and Buddy Jones, Coach Frank Bettencourt may have his first serious championship contender in three years of Peninsula Babe Ruth League baseball.

Last Thursday night the Greys won their third straight game as right hander Jones worked a three-hit, 11-1 decision over Lowe Realtors.

Menlo Motors scored in the last inning to edge Red Cottage 11-10, Palo Alto Sport Shop topped the White Sox 9-6, the Knights of Columbus beat the Red Sox 4-2 and Couch whipped Spiro's 24-8 in other games.

Jones struck out eight and walked two. He allowed only a triple to Stu Colpitts, a triple to Jim Williams and a single to Mike Cottrell.

John Potter drove in two runs with two singles, Dom Ascani doubled in a pair of runs, Postlewaite singled twice and Herb Masi cracked two singles for the Greys.

The Greys scored six of their 11 runs after two were out in the sixth. Al Pryal's error at sort stop opened the gates and the runs poured in. Pryal made four of the five Lowe boots.

Menlo Motors turned two infield errors into two runs in the last half of the final inning to nudge Red Cottage after the latter had gained a 10-9 lead with a two-run burst in the top of the frame. Joe Fessio went the distance for the victory.

Tommy Bridges struck out 10 in winning his fourth game for the Sport Shop. Rick Malloch got three singles in as many tries, Frank Place singled twice and Bob Talbot singled and doubled to back him up.

Denny Murakami singled and doubled, Marv Yarnell hit two singles and Jim Bellows tripled for the White Sox. The winners led 7-0 at one time.

Bill Skinner's grand slam home run set off a 12-run barage in the sixth inning for Doug Couch. Skinner also singled while John McWilliam contributed three singles and Tom Jones aided the cause with a single and double.

Skinner scattered five hits and struck out 10 in gaining the win.

Gary Hughes singled in the two winning runs for the Knights in the fifth inning. Cliff Bellone tripled for the winners while Dennis Keith and Willy James each tripled for the Red Sox.

Losing pitcher James allowed only four hits and struck out 14. Winning pitcher Pete Cocconi gave up six hits.

Al Terremere Is New Principal

Albert J. Terremere, former Sequoia High School athletic star, former coach at Menlo-Atherton High School and a long-time member of the faculty in the high school district, was last week named principal of Carlmont High School.

Garden Club Elects Officers

By ITALIA CROOKS

The Garden Club of Menlo Park ended the years' activities June 24 with a tour of four gardens, each chosen for its individualality and beauty.

The first garden visited was that of Herbert Frank, 1331 Edgewood lane, Menlo Park. This garden planned and cared for by an expert, depicted the value of planning and coordinating background shrubbery, with the rainbow of color in foreground of perennial and annual blooms. An outstanding succulent garden was one interesting feature of the grounds.

The Walter Klahns of 1944 Valparaiso avenue, Atherton, have planned their garden with the idea of comfortable outdoor living, combined with garden vistas of interest and charm.

Mrs. Klahn collects bonsai and had unusual oriental shrubs planted and many specimens of bonsai placed around the pool and wishin gwell. An exotic lotus bloomed in the Klahn garden last summer and promises another blossom this season.

The J. D. Steigers of 1321 Crane street, have an oridental garden with an entirely different flare. The large grounds with natural oaks and conifers and a running brook with pond in a glade is a private park.

Most of the plantings are shrubs and lilies collected from oriental countries. On walking along the paths, the visitors discovered bull frogs, gold fish and turtles in the pond, an aviary, and many beautiful ferns and begonia beds.

LITTLE CARE

Steiger said one of the most satisfactory things about the garden was the minimum of care. A turn of a valve and the whole garden is watered by an overhead spray. His one big job, he said, was pruning the lush growth.

The spacious gardens of Sunset magazine were last on the tour. These gardens are noted through Northern California for the great diversification of localities of shade and sun gardens with plantings of shrubs and flowers, suitable to any location in the garden.

GREET OFFICERS

The members then assembled in the patio of Little House, where President Leon Benzunas greeted the members and turned the meeting over to Mrs. J. J. Gallagher, immediate past president of California Garden Clubs Inc., and also past president of Peninsula Study club of Burlingame and San Mateo.

Mrs. Gallagher conducted the installation of newly elected officers as follows:

Vern Leahy, president; Mrs. C. V. Taylor, first vice-president; Dr. Franklin Cassidy, second vice-president; A. C. Bonora, treasurer; Mrs. Peter Hughes, recording secretary; Mrs. Frank Hawkes, corresponding secretary.

Benzunas handed the gavel to the new president and Leahy then introduced the newly appointed chairmen: Mrs. Walter Klahn, program; Mrs. Richard Lee, membership; Mrs. William Stelmach, hospitality; Mrs. Franklin Cassidy, sunshine and plant sales; Mrs. James W. Crooks, publicity; Mrs. Viggio Knudsen, director of District 413 of California Garden Clubs Ins., was an invited guest.

Red Cross Swim Instruction Program Told

Officers of the Sequoia Chapter, American Red Cross, this week announced the schedule for the annual summer swim classes at Menlo-Atherton High School, co-sponsored by the Red Cross unit and the Sequoia High School District.

All classes are under instruction of qualified, Red Cross-approved instructors and two life guards are on duty during recreational swimming periods. Persons wishing additional information on the program should call the Chapter House, 3540 Middlefield road, EM 6-3851.

The schedule:

Instructional swimming — two weeks; half-hour periods, Monday through Friday as follows: July 2-July 13; July 16-July 27; July 30-Aug. 10; Aug.-Aug. 24. Parents may register children for as many sessions as they wish.

Adult instructional swimming, Tuesdays and Thursdays, five one hour sessions, two classes, one meeting from 7 p.m. to 8 p.m., and another meeting from 8 p.m. to 9 p.m.: July 5 to July 19; July 24 to Aug. 7; Aug. 9 to Aug. 23.

Lifesaving, both Junior and Senior: July 18 through July 29, Monday through Friday, and Aug. 13 through Aug. 24, Monday through Friday. Class hours during both sessions are from 4 p.m. to 5:30 p.m.

Recreational swimming, Monday through Friday from 1 p.m. to 4:30 p.m., and 1 p.m. to 5 p.m. Saturdays and Sundays. The pool will also be open for recreational swimming from 7 p.m. to 9 p.m. Mondays, Wednesdays and Fridays, with a special invitation to entire families on the latter evenings.

Opera Guild Sets Audition Dates

The Little Opera Guild, organized in 1955 as an association not for profit, dedicated to presenting opera and fostering development of operatic talent on the Peninsula, will hold auditions for its roster of singers and chorus on Wednesday, July 11 and Thursday, July 12, 1956, in the Palo Alto high school auditorium. Applicants must be 18 years or over and residents of the Peninsula area.

Applications may be obtained by writing to: The Little Opera Guild-Auditions, Box 215, Palo Alto, California, or by calling Eugene Lawrence, executive secretary of the Guild at DA 4-1924.

Down to Earth:

English Gardens Show a Wealth Of Plant Materials, Formality

By TERRY LEE

Our English ancestry goes deeper than language and customs. It gets right down to our front lawns, hedges, chestnut trees and roses.

A little town in England surely has the look of a little town in the United States. Houses are set back the required distance from the street, and the lawns are edged by flower gardens and accented by a shade tree near the front door.

For the 98 per cent of our population that has not mastered the informal, indoor-outdoor California style of landscaping, this tree-lawn-flower edge combination is familiar thinking. It is rather pretty, but not very useful when one wants to barbecue or sit under the tree.

It is also a lot of work—trimming edges, cutting the lawn, clipping the hedges, and keeping up with a bright display of annuals. But the people in England who own these gardens love them dearly, and the work is pleasure and never neglected.

You can ask anyone the name of some plant you have seen and he can tell you, and probably go on to tell you about a rose he has hybridized or a new fruit that came from a grafting.

MUCH MATERIAL

While I do not recommend this pretty-but-not-useful, hard maintenance type of landscaping, I was impressed by the use of plant material.

A favorite tree is the small, graceful golden-chain tree (Laburnum vossi) that happily blooms in front of lilacs. This yellow and lavender combination is everywhere, and highlighted by the yellow-tipped hedges set in front of the low fences.

These hedges are often cut in curving lines or fanciful forms.

The other favorite tree is the beautiful copper beech. It is used as THE important tree in the garden, and in the fall, branches are cut and soaked in glycerin to preserve them for a winter display in the house.

Since this is one of my favorite trees, I was delighted to see it used so often as such a prize. Beeches do very well here (there are several big ones at the Frost Amphitheater) and have a beautiful framework which makes them as decorative in winter as summer.

England is no exception to the wonderful European custom of taking delight in public buildings and parks. I only wish this feeling had been transplanted here along with the lawns. The Houses of Parliament were dressed up with window boxes of cinerarias on the first two floors, and every big intersection (circus) in the city has a small park and statue in the middle.

There are trees everywhere—and—what their greenery does for dirty buildings and hot streets!

The chestnut is a favorite, and the pink flowering one is used a lot. The countryside is every bit as beautiful as the English claim—great broad meadows and forests of trees and elms that make an arcade out of every road.

We have the roads, and some broad fields left. What we need are some tree-planters!

GARDEN CALENDAR WEEK OF JUNE 28

Of all the modern devices to make home gardening easy in this era of power tools and chemical weed killers, none eliminates more labor and does more good for the garden than the ancient and inexpensive practise of mulching.

A light hoeing a few days after watering will create a "dust mulch" — a powder layer that will keep the moisture underneath from evaporating.

A thin layer of grass clippings over this will eliminate the need for watering or cultivating or weeding for as long as a month. Grass will also add humus and nutrients to the soil as it deteriorates.

* * *

Success in the garden depends on a little scientific knowledge about important facts.

It is important to recognize good plant material—not diseased or root bound, but showing new growth. It is essential to plant it at the right time.

As a general rule, July is not a good planting month because it is hot and windy.

Californians must practise irrigation during the summer, and most of them water too often and too little. This encourages shallow roots and makes water-logged (sour and airless) soil. Actually you cannot water too much, except that you waste water that sinks below the root zone. You need three gallons of water on one square foot to soak three feet deep. Let the sprinkler run for a long time; just do not do it too often.

Dogs To Converge On Theater Here

More than 50 youthful dog owners are expected to bring their pets to Burgess Park Little Theatre Saturday, for the first training session of the Menlo Park Recreation Department's dog obedience course.

Charles Wunderling, professional trainer, will be on hand.

Last Saturday the children left their dogs at home and attended a motion picture, showing how dogs can be trained. This week, the dogs are invited, too—provided they're on leashes and inoculated against caninedom's diseases.

Also, recreation department officers reminded, youngsters will have to bring permit slips from home, giving parents' approval of attendance.

* * *

It takes only a few hot days to convince any home owner that a shade tree or two will make his yard and house more livable. A high branched tree such as an elm is ideal.

The deciduous elm grows beyond 40 feet, the evergreen elm only 20.

Maples cast heavier shade and grow fast.

I also like the fruitless mulberry and Modesto ash. The pin oak and red oak are two other good choices and are reasonably fast.

'Family Nights' Set At Playgrounds

"Family Nights" will be the order of events one evening a week at three supervised Menlo Park playgrounds during the summer, City Recreation Department Director Fred Parsons revealed this week.

The gatherings will be held from 7 p.m. to 8:30 p.m. each Monday of the summer at Willow School and from 7 p.m. to 8:30 p.m. Tuesdays at Belle Haven and Hillview School playgrounds.

Directors in charge will try to arrange games and other events, Parsons explained, in which all members of the family can participate. Each playground will have its own schedule to follow.

Directors in charge will be Marilyn Fields and Tom Crane, at Belle Haven; Phil Knight and Pat Fallon at Willow and Bill Loftus and Margie Kriz, at Hillview.

Woodside Girl At 4-H Meeting

San Mateo County 4-H Club members had an opportunity to learn about farming in many spots throughout the world when they met and talked last week with foreign and California students, members of the International Farm Youth Exchange Program, at the 1956 4-H Junior Leaders Conference at David.

Mary Anne Huebsch of Woodside was one of three junior leaders from the county to attend the meet.

Diatoms grow in fresh, brackish and salt water.

Farm Team Clinics Planned

Baseball clinics for Little League farm team members will start Monday at five supervised playgrounds in Menlo Park.

There will be clinics for both "juniors"—boys 9 to 12 years of age—and "pygmies"—boys under 9, according to Rec Director Stan Sexton.

He urged those who wanted to participated to make arrangements as soon as possible with supervisors at the playgrounds themselves, in order to assure places on teams. Each playground will schedule its workouts individually, he said, adding that later in the summer a farm league will be set up.

Clinics will feature work in baseball fundamentals, skills and techniques, as well as inter-squad games and games with teams representing other playgrounds.

Hiliview school teams will have to play their games at Fremont school's diamond, Sexton said, since their field is being torn up this summer. But clinics will be held at unaffected portions of the Hillview grounds.

'Wheels' Tot Topic

Next week, youthful patrons of supervised playgrounds in Menlo Park will participate in a bicycle skills tournament and a "decorated wheels" judging contest, as the special events programs get to their second week.

This week youngsters were enjoying a "Cowboy roundup."

Pool Back:

TO OLD HOURS

Burgess park pool's recreational swimming schedule has been changed back to the old traditional hours of 1 p.m. to 5 p.m. weekdays and from 12 noon to 6 p.m. Saturdays and Sundays.

A short-lived experiment in "split session" swimming, with half of the afternoon reserved for use by adults, has had to be abandoned because the oldsters just didn't show up, according to city recreation director Fred Parsons.

During the first week of activity at the pool here, the adults were supposed to have "first call" after 3:15 p.m.

It was held yesterday at Belle Haven and Willow schools, will be held today at Nealon park and Hillview school playground, and tomorrow at James Flood school.

Next week's events will start at 3 p.m. on the days of the week indicated, at each playground. Frank's Foster's freeze is sponsoring the affair.

There will be three divisions: first, second and third best decorated bicycle or tricycle; "unusual wheels," such as decorated lawn mowers, baby buggies, or wheelbarrows and floats, such as built-over bikes or wagons.

The bicycle skills tournament will include a "slow race," shoe scramble, obstacle course, and others.

Participation awards will also be presented.

NAMED TO PANEL

Menlo Park City Councilman Vaile Andrus was Tuesday night appointed the Menlo Park City Council's representative to the San Francisco Bay Area Rapid Transit Committee.

SUMMER DAY CAMP
ADOBE CREEK LODGE
PROUDLY ANNOUNCES THE OPENING OF
Mike Durket's Summer Day Camp

ATTENTION BOYS & GIRLS 7-13. Here is an opportunity to spend part of your summer vacation at ADOBE CREEK LODGE. Learning skills in baseball, football, volleyball, badminton, golf, archery, trampoline, tumbling, folk dancing, horse shoes, arts and crafts, plus swimming and diving lessons, all included in your two-week sessions. ADOBE CREEK LODGE has delayed the announcement of its camp, because of a desire to obtain ONLY THE BEST QUALIFIED AND EXPERIENCED PERSONNEL.

MIKE DURKET (father of 4 boys) possesses more than necessary requirements to insure the best instruction for your youngster.

1. He has an A.B. and M.A. Degree in Physical Education from Stanford.
2. Six years coaching experience at Palo Alto High, Menlo College, Marin Catholic High.
3. 10 years of recreation supervisory experience, Santa Monica recreation, Beverly Hills Boys Club.
4. Past 5 years, operated own day camp in Palo Alto.

2 Week Sessions Beginning June 18 to August 24
10 a.m. to 4:30 p.m. Monday through Friday.
Transportation available.

Bluebirds Turn Into Natives at 'African Jinx' Day Camp

BUSY LITTLE FINGERS and many ideas combined to make the colorful African costumes worn by the Bluebirds at the Camp Fire Day Camp at Huddart park. Karen Roy (left) and Gloria Atkinson are busy dyeing the material a bright red for their costumes. . . .

Groups of children singing native African songs in the cool shade of the trees . . . others in native regalia dancing African dances to the beat of the tom tom . . . still others working on nature crafts . . . all enjoying the nature hikes.

This is what you would see today if you went to Huddart Park on King's Mountain road where some 200 Bluebirds, from Millbrae and Los Altos (and many of them from the immediate Menlo Park area) are attending the second week of the Campfire Day Camp.

This year, the theme is "African Jinx" and the girls have been busy making their own native costumes, learning dances and songs, and generally enjoying the wonderful outdoor camping experience.

Last week, approximately 200 children attended the day camp . . . and this week, another group, totaling the same number, are taking their turn at the camp's activities.

DAILY TRIP

Each morning, the children leave their homes at 8:30 a.m. by bus and arrive at the camp site around 9:30 a.m. for the day's program. At the day's end, the youngsters board the bus at 3:30 p.m. for home.

Once during each week's session, the girls stay overnight. Last Thursday evening, they cooked their own dinner over open fires, slept in sleeping bags under the trees, and prepared their breakfast the next morning. The girls attending this week will have their overnight tonight.

TRIBES

The Bluebirds have been divided into African tribes and have chosen such names at Watsui, Wahutu and Pygmy. They have made ratties from pint size milk cartons . . . skull caps from silk stockings . . . head gear from crepe paper . . . bracelets and necklaces from bleached bones they brought from home . . . dyed cloth in gay colors to make bright costumes.

NATURE HIKES

Nature hikes have been among the popular events of the outing during which time the Bluebirds have collected nature specimens and various harmless insects and reptiles for their zoo. They have made wall hangings and trimmed them with bits of tree and plant foliage.

Much of the planning involved with the African theme began several months ago when the counselors studied film strips of authentic dances and listened to recordings of African songs.

WORKSHOP

Just prior to the opening of the camp, the counselors attended an overnight workshop at the park and spent their time in taking the actual nature hikes along the trails the girls have been enjoying . . . learning to make the African costumes . . . learning the native songs and dances which they have been teaching the girls.

CAMP DIRECTOR

The director of the camp this year is Mrs. Norman Cory of Palo Alto (whose husband teaches in Menlo Park).

The counselors at the camp this year include Mrs. Paul Williams, Mrs. Gardiner Gray, Mrs. Robert Reeves, Mrs. Delbert Brown, Mrs. Allen Penney, Mrs. Charles Prael and Miss Marsha Rahn, who is a junior counselor, all of Menlo Park.

Tomorrow is the final day of the camp.

PUTTING FINISHING TOUCHES to their costumes, Karen and Gloria worked long hours with a brush . . . and also made authentic African necklaces from bleached bones brought to camp by the girls. . . .

AFRICAN REGALIA COMPLETED, Gloria and Karen don their costumes and dance an African dance they learned at the Day Camp. And to provide a jungle setting, Mrs. Gardner Gray beats the tom tom as the girls keep in step. . . .

RUTH KEPLINGER, Editor — DA 3-6118

32nd YEAR—No. 26 THURSDAY, JUNE 28, 1956 PAGE 15

Now at Home:

Geraldine Fisher Is Bride of Lowell Wolfe

Now at home in Redwood City are Mr. and Mrs. Lowell Frank Wolfe (Geraldine Ann Fisher) who were married in St. Peter's Episcopal Church chapel June 15.

The bride is the daughter of Mrs. Earl Martinelli of Sacramento and Harry Fisher of Redwood City. The benedict is the only son of Mr. and Mrs. Lowell Wolfe of 601 Hobart street, Menlo Park.

For the 8 o'clock ceremony, attended by members of the immediate family, Geraldine chose a white linen sheath frimmed with pearls and silver beads at the neckline. She wore a small beaded hat and carried a bouquet of white orchids on a white prayer book. The bride's father escorted her to the altar.

Miss Nancy Chalman of Atherton was her sole attendant and chose a dress of brocaded fabric in pink and white. Her flowers were pink carnations.

Horace Sinno was best man.

The chapel was decorated in white with gladioli, snapdragons, and Esther Reed daisies for the ceremony conducted by the Rev. C. Peter Boes.

Immediately following the ritual, a reception was held at the Wolfe home. When the newlyweds left on their honeymoon trip which took them to Lake Tahoe, the bride donned a black linen duster over her white linen sheath.

Geraldine attended Sequoia High School and has been living with her uncle and aunt, Mr. and Mrs. Charles W. Preston in Redwood City. The Prestons are planning a reception for the young couple at a later date.

Lowell has lived in Menlo Park almost all his life. He attended grade schools here and was graduated from Menlo-Atherton High School.

Junior Women Entertain at Barbecue

Colorful aprons and large straw hats were worn by Chefs Burt C. Kendall and Clark J. Keenan at the barbecue party Saturday night given by members of the Menlo-Atherton Junior Women's Club at the Kendall home at 400 Claire place.

The party was planned by new members of the club for all members and their husbands. Mrs. Lane Tronson was general chairman assisted by Mrs. Charles Miller, Mrs. Charles O'Connor, Mrs. Leonard Krasner, Mrs. Stanley Potter, Mrs. Robert H. Jones, and Mrs. Theodore Perry.

Special guests at the party were Mr. and Mrs. George Ackerman. Mrs. Ackerman is a member of the Menlo Women's Club and serves as the advisor to the Juniors. Also present was Mrs. Clement C. Arnold, the Palo Alto Junior Women's Club advisor.

Mrs. Theodore Perry announced plans for the Home Service Department which will be a division of the club whereby members will be of assistance to one another.

The art work, done by children of the members during the year at the Kewpie Art Clinic, was on display for the fathers to view.

Fred Stein Miss Jessup Wed July 28

Mr. and Mrs. E. B. Jessup of Boulder, Colorado, are announcing the engagement of their daughter, Dee Ann, to Fred G. Stein, son of Mrs. Frank S. Marshall of Atherton, and the late Dr. Fredrick L. Stein.

The wedding date has been set for July 28 at St. Pius Catholic Church in Redwood City.

Dee Ann has been teaching at Downey, California, for the past two years. She attended Indiana University in Bloomington, Indiana, and is a graduate of the University of Colorado. Delta Delta Delta is her sorority.

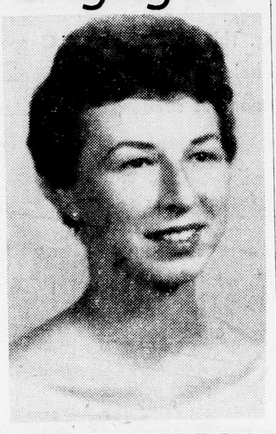

The bride-elect has one sister, Mrs. Eugene Witt, of San Mateo, who will serve as matron of honor at the wedding.

Fred attended San Mateo Junior College, the University of California, and was graduated from San Jose State College. He has two sisters, Mrs. John Fanning McConnell and Miss Helen Marshall. The latter will be the bridesmaid at the July ritual.

The future benedict is a medical representative in Oakland and Alameda. He has asked James Hanley to stand with him as best man. The ushers will be John Mirande and Eugene Witt.

Miss Hardt Engaged

A party last Saturday evening for close friends and relatives at the home of Mr. and Mrs. Alfred H. Hardt, 1 Mosswood way, Atherton, was the occasion to announce the engagement of their daughter, Mary Elizabeth, to William A. Hedges, son of Mrs. Margaret A. Hedges of Santa Rosa and Dr. Charles C. Hedges of Chicago.

MARY ELIZABETH HARDT
—Hans Roth photo

Mary Elizabeth attended Oak Park River Forest High School in Chicago and was graduated from Stephens College. At Stephens she was a member of Tau Sigma Tau honorary art fraternity, and Phi Theta Kappa, honorary scholastic organization. She has been attending the California School of Fine Arts in San Francisco and will return to that school in the fall.

She has two brothers, Alfred B. Hardt of Burlingame and Frederick G. Hardt of Atherton.

Bill attended high school in Santa Rosa and will be in his fourth year of law studies at Stanford next year. He has two sisters, Mrs. C. B. Dunwoodie of Belmont and Alice W. Hedges of Santa Rosa, and a brother, Dr. Charles C. Hedges Jr., of Los Angeles.

Wedding plans for the couple are indefinite.

Garden Reception Follows Arnott-Pruitt Church Rite

Ice blue and light blue were the colors chosen for the bridal party at last Saturday's wedding of Shirley Elizabeth Arnott when she became the bride of Ensign W. Bruce Pruitt of Anderson, South Carolina.

The ceremony was solemnized at the Menlo Park Presbyterian Church followed by a garden reception at the Atherton avenue home of Mr. and Mrs. James Alexander Arnott, Shirley's parents.

The Rev. Donald H. Hall officiated at the 4:30 o'clock wedding ceremony preceded by vocal selections sung by Leonard Wecks.

ICE BLUE GOWN

Shirley, who is the Arnotts' only child, chose a lovely gown of white Chantilly lace over ice blue satin and tulle. The full skirt of the gown ended in a chapel length train. The snug fitting bodice was fashioned with a v-neckline and long sleeves. Her veil of ice blue net was held by a lace cap, and she carried a bridal bouquet of white lily of the valley and orchids mingled with a touch of blue forget-me-nots.

A cortege of seven attendants preceded the bride to the altar with Mrs. Richard Reese of San Diego as the matron of honor and Miss Suzanne Bell of Santa Barbara, the bride's cousin, as the maid of honor. Secondary roles were taken by Mrs. Gerald Dawn of Florida, Mrs. Oliver Greenlee of Oakland, Miss Sylvia Pruitt of South Carolina, sister of the bridegroom, Miss Mary Bell of Piedmont and Miss Mollie Bray of Atherton.

MATCHING FROCKS

The attendants were dressed identically in ballerina length frocks of light blue taffeta, each with a large bouffant sash. They wore large picture hats, matching their dresses, and carried bouquets of delphinium in varied shades.

Ensign Pruitt, in his Navy whites, asked his father, Homer Pruitt, to stand with him as best man. The ring bearers were John and Tommy Bell.

Guests were ushered to their places by Don Tognazzini, John Wells, Allan Clark, James Bell, Oliver Greenlee and Clay Johnson assisted by John Schmaelzle, Earl Johnson and Dave Easley.

Many candles lighted the church for the lovely wedding. Two tall urns filled with white gladioli, stock and fern fronds with a dozen lighted candles were set at the altar. The pews of the church were marked with satin ribbon and small clusters of fresh flowers.

GARDEN RECEPTION

Immediately following the

(Continued on Page 16)

St. Raymond's Youth Picnic At Marin

The Marin Town and Country Club was the locale last Saturday for the picnic and swimming party of St. Raymond's Youth Club.

The group journeyed to Marin County via bus and enjoyed the swimming hours and picnic of barbecued hamburgers and hotdogs with Chef W. E. Kenny doing the honors at the barbecue. Mr. and Mrs. Kenny are the moderators for the group.

At the close of the afternoon outing, the group voted to donate to the purchase of suntan lotion for Bob Morey, Jean Cole and Peter Cramer . . . who under estimated the power of old sol.

Others attending the picnic were Sue Campagne, Eugenia Stanker, Jackie Gerbo, Margaret Graham, Nicki Furneri, Jim Mosso, Butch Gordon, John Garibaldi, Judy Himmelman, Jo Fessio, Jack Kenny, Richard Byrne, Eileen Bolton, Tom Bird, Diane More, Alice Gardiner, Trish Langdon, John Finegold, Dorothy Moore, Bill Oliver, Lindy Guerra, Terry Maloney, Mike Duin, Diane Van Epern, Sue Smart, Jim MacFarlin, Angela Assenza, Neal Hospers, Norman Regan, Robert Niese, John Tuttle, Joanne Nanagay, Jo Matthews and Cliff DiFranco.

Another swimming party is slated for July 15 at the home of Mr. and Mrs. Charles J. Maestri in Atherton between 2 and 4:30 p.m. for members only. That evening, between 6:30 p.m. and 10 p.m., members and their guests will meet at the home of Mr. and Mrs. Charles Andress in Atherton for a chicken barbecue and dancing.

Members will complete their monthly activities with a communion breakfast and 9 a.m. mass on July 29.

Woodside Girl Wins Wings As Stewardess

Now the proud owner of her wings as an American Airlines stewardess is Roanne Lindquist, daughter of Mr. and Mrs. Roy A. Lindquist, 144 Alta Mesa drive, Woodside, who was graduated from the American Airlines Stewardess School in Chicago.

ROANNE LINDQUIST
—American Airlines photo

Roanne completed a course of training which included such subjects as principles of meterology, flight operations, navigation, radio techniques, airline schedules and tariffs, and customer relations, as well as beauty, culture, posture and poise.

Roanne was graduated from Sequoia High School in 1953, attended the University of California, and was employed by an insurance company in Menlo Park before joining American Airlines. Her hobbies are swimming and music and she is also an accomplished pianist.

Roanne is a member of the Peninsula Devilfish, a skin diving club. As an American Airlines stewardess, she will be based at Buffalo, New York.

Story Guild Schedule Told For Summer

A group of 18 local women who are volunteer story tellers for the young children in this area have been conducting weekly story telling meetings attended by youngsters from primary age to 12 years old.

The sponsor of these weekly meetings is the Peninsula Story Guild which each summer conducts these hours for children. Plans are under way for an adult story festival early in the fall and the date for this event will be announced later.

Those from Menlo Park who are among the story tellers are Mrs. Carl Ericson, Mrs. John Wotila, Mrs. Howard Burnside, Mrs. Charles Wilder, Mrs. William Postlewaite, Mrs. William MacCurdy, Mrs. Wing, Mrs. Donald Sachs and Mrs. Robert Houston.

The story telling schedule includes:

Menlo Park Library, in the patio, each Tuesday at 4 p.m. until August 14.

Ladera School, in the library, each Thursday at 10:30 a.m. until August 2.

Jack Farrell Park, in University Village, each Wednesday at 10:30 a.m. until August 22.

Portola Valley School, in the forest of redwoods on Portola road, each Friday at 10 a.m. until July 27.

Any children interested in attending these story hours are invited.

'Fun Fair':

SLATED SUNDAY

"Fun Fair" is on the calendar for this Sunday which will be an afternoon and evening event sponsored by the Acacia Service club of the Menalto Chapter of the Order of Eastern Star.

Locale for the affair will be at the Fraternal building, 645 Roble avenue, and will be held outdoors and indoors. Opening at 1 p.m., "Fun Fair" will feature games for children, a puppet show, a country store, plant booths and display by local merchants.

Dinner will be served from 5 o'clock on . . . and during the dinner hour, members of the local Job's Daughters and Rainbow Girls organizations will stage a fashion show.

The public is invited to attend.

John Ferguson Claims Bride Last Saturday

Arrangements of white stock and fern decorated the Trinity Lutheran Church last Saturday for the 1 o'clock wedding of Margaret Johnson of Daly City to John Jerome Ferguson Jr. of Redwood City and formerly of East Palo Alto.

Members of the two families and close friends witnessed the wedding ceremony. The bride is the daughter of Mrs. Robert Arthur Sherry of Daly City and George B. Johnson of San Francisco. The benedict is the son of Mrs. John Ferguson and the late Mr. Ferguson.

Escorted to the altar by her father, the bride chose a floor length gown of white peau de soie fashioned with a full skirt and long empire lines. The portrait neckline was embroidered with seed pearls and her fingertip veil was held by a lace cap. She carried an arrangement of lilies of the valley.

The bride's sister, Patricia Ann Johnson, was maid of honor and the bridesmaids were Mary Jo Dillon of San Francisco and Arlene Callan of Daly City. They chose gowns of white organdie over blue and carried bouquets of white carnations and blue delphiniums.

Gerald Sharrock of Berkeley stood as best man and the ushers were Gail Clarence Ferguson, the benedict's brother, and Ray Paolucci of Menlo Park. The Rev. A. R. Kurtz of Los Altos officiated.

The Stanford Room at Rickey's Studio Inn was the setting for the reception following the ceremonies. The couple are now away on a two week honeymoon trip and will return to Burlingame where an apartment awaits them.

Margaret has been attending San Mateo Junior College where she first met her husband. The benedict was graduated from Menlo-Atherton High School three years ago and was president of his senior class. He spent two years in the Army, at Fort Ord, Fort Winfield Scott and toured Alaska for four months. He is now in pre-dental studies at San Mateo Junior College and next year will be president of the Associated Men Students at the college.

OTHER ACTIVITIES which kept some 200 girls busy at the Day Camp were nature hikes when they gathered a menagerie for their zoo. Here, Karen and Gloria closely examine a tiny lizard which they fed while he remained "in camp." —Recorder photos

Jeanne du Luart Bride Of Gordon C. Barker

Some 200 guests attended last Sunday's 2 o'clock wedding of Jeanne du Luart, daughter of Count and Countess du Luart, formerly of Atherton and now of Laguna Beach, when she became the bride of Gordon Claude Barker, son of Mr. and Mrs. Claude Vernon Barker of Atherton, at Stanford Chapel.

Rev. Robert Macfee Minto officiated at the wedding ceremony. It was two years ago at the Stanford Chapel that Rev. Minto also perofrmed the wedding rites for Jeanne's sister, Mrs. Peter (Lynn) Davis, who now resides in Alhambra.

For last Sunday's wedding, the bride donned a Desse' design street length dress of cream peau de soi with white accessories, except for her shoes which matched the color of her dress. Jeanne's bouquet was of stephanotis, bouvardia and orchids.

Mrs. Davis was her sister's attendant and chose a beige lace over taffeta sheath with matching hat and a bouquet of roses in orange shades.

Kathleen Barker, three and her brother, Andres, four, were the flower girl and ring bearer. Kathleen wore a frock of white nylon dotted swiss and carried a white basket of blue delphiniums with yellow carnations. Andres wore a white linen suit and carried an imported French embroidered pillow. The children are the niece and nephew of the bridegroom.

Charles Vernon Barker stood with his brother as best man. The guests were ushered to their places by Eugene Babb of Menlo Park, cousin of the benedict, Peter Davis, the benedict's brother-in-law, and Fred Erickson, of Palo Alto.

Count du Luart gave his daughter's hand in marriage.

For her daughter's wedding, Countess du Luart chose a rose lace dress with matching accessories. Mrs. Barker donned a blue lace with matching accessories.

The Barker home, at 65 Winchester drive in Atherton, was the locale for the garden reception where the natural setting was enhanced with small artificial trees trimmed with fresh gardenias. The bridal couple were toasted with champagne during the reception hours.

CARMEL TRIP

As they departed for their Carmel honeymoon, the bride was wearing a beige check dress trimmed in white pique, a white pique chapeau and white gloves and handbag. When they return, the couple will reside in Palo Alto.

Jeanne, whose grandparents, the Marquis and Marquise du Luart, reside in France, was graduated from Menlo-Atherton High School and attended San Mateo Junior College.

Her husband was graduated from Sequoia High School and attended Menlo School and College before going to Stanford last year. He will return to the Menlo School and College campus in the fall to complete his business courses. He is the grandson of Mrs. Claude W. Barker of Sacramento, who was here for the wedding.

Loren Hergerts Have New Baby

Mr. and Mrs. Loren Hergert, formerly of Menlo Park and now of Los Altos, recently welcomed a baby girl, Laurie Ann, who was born June 15 at Palo Alto hospital.

The baby's mother is the former Margaret Ann Paccioretti whose parents, Mr. and Mrs. Mario Paccioretti, lived in Menlo Park for 10 years. The Pacciorettis now reside in Palo Alto. The paternal grandparents are Mr. and Mrs. Adam Hergert.

DR. AND MRS. MARK J. RYAN of Menlo Park recently spent a few days at the Del Monte Lodge at Pebble Beach.

Hertel-Crozier Rites Held in Southland

Married at the same church where her twin sister was married two months ago was Marlene Bernice Hertel who became the bride of Robert N. Crozier of Menlo Park last Saturday afternoon at the Community Church in Ventura.

Marlene is the daughter of Mr. and Mrs. Francis W. Hertel of San Mateo and for the past year has taught at Costano School in East Palo Alto. Robert is the son of Mrs. Thomas Henry Crozier of Menlo Park and the late Mr. Crozier.

For the double ring ceremony, the bride wore a white gown of Chantilly lace fashioned with a scoop neckline, long sleeves fastened to the elbows with tiny buttons, and a tiered skirt ending in a chapel length train. A Juliet cap of lace and seed pearls held her fingertip veil. She carried a bridal bouquet of white stephanotis, orchid and lillies of the valley.

Her father escorted her to the altar.

TWIN SISTER ATTENDS

Marlene asked her twin sister, Mrs. Gerald T. Cardiff (Marianne Hertel) to be her matron of honor. She chose a ballerina length gown of pink embroidered tulle and carired a bouquet of gardenias surrounded by deep pink roses.

The four bridal attendants included Mrs. Raymond Luehr, the bridegroom's sister, of Daly City, Mrs. Ronald L. Hertel, the bride's sister-in-law, of Taft, Winifred Cox and Marilyn Oliver, both of Ventura.

The attendants were in ballerina length gowns of white embroidered tulle over pink skirts ruffled in the back. The necklines of the gowns were fashioned in softly pleated nylon lace matching the skirts. They carried arrangements of gardenias and stephanotis, and pink rosebuds.

Christine McDiuitt was the flower girl and wore a pink organdie frock and carried baby pink roses. Marcus Marshall II was the ring bearer.

Donald McComber of Los Altos stood as the best man and guests were seated by Joseph O. Nemeth of Ohio, Andrew P. Poledor of Indiana, Rodney Reynolds of Los Angeles, Robert Lindblom of Bakersfield and Francis W. Hertel Jr., benedict's brother.

MOTHERS RECEIVE

Following the wedding ceremony, attended by 450 guests, a reception was held at Venturi's Pierpoint Inn overlooking the ocean front. Receiving the guests, Mrs. Hertel was wearing a gray lace dress with pink accessories. Mrs. Crozier chose a blue lace sheath with matching accessories.

As the bridal couple left for the honeymoon to Southern California, the bride tossed her bouquet to a contingent of single young women . . . with Winifred Cox catching the coveted bridal arrangement.

For her honeymoon trip, the new Mrs. Crozier donned a navy blue suit with white accessories. Following their trip, the couple will return to Whittier where they have taken an apartment for the summer and where Bob will work for an oil company.

In the fall, the couple will return to this area and he will attend Stanford to work for his master's degree in petroleum engineering and Marlene will return to teach at Costano School.

THIRD GENERATION

The bride, who is a third generation Californian, attended the University of Arizona and was graduated from San Jose State College where she belonged to Alpha Phi sorority.

Bob attended Lewiston High School in Idaho and Stanford. During the Korean War, he served with the Army. He is a member of Sigma Chi fraternity.

Among other family members attending the wedding were the benedict's brother, Thomas Henry Crozier Jr. and his sister, Mrs. Luehr and her baby daughter.

Mrs. Crozier hostessed the wedding rehearsal dinner at Oxnard at the Colonial Inn attended by the wedding party, the families and Sigma Chi fraternity brothers of the benedict.

WED AT JUNE 9 RITES

MENLO PARK will be the home of Mr. and Mrs. Cullen Fletcher (Lynn Walker) who were married at Our Lady of the Wayside church in Woodside Saturday, June 9. The bride is the daughter of Mr. and Mrs. Frank T. Walker of Menlo Park and her husband is the son of Mr. and Mrs. George Fletcher of Atherton.

More About:

Ensign Pruitt, Bride Will Make Home in Rhode Island

Continued from Page 15

church ceremony, the bridal party and some 650 guests left for the Atherton avenue home of the Arnotts for the reception held in the gardens.

Again, the blue and white color theme was used throughout the garden setting. Eight Grecian pillars enclosed a white court where the seven-tiered, heart-shaped wedding cake was set on the bride's table. Guests were served from an electrically operated three-tiered punch fountain and also from the champagne tables. Here and there about the gardens were umbrella tables . . . and under the large oak tree were the supper tables.

Guests toasted the bridal couple and danced to a three-piece orchestra during the reception hours.

Receiving the guests, the bride's mother was wearing a sheath of grey lace over pink satin with a small pink hat and orchids in lavender tones pinned at her shoulder. Mrs. Pruitt chose a romance blue lace over matching color satin with a matching hat. She had a spray of orchids in deep pink tones.

When Ensign and Mrs. Pruitt left on their honeymoon, which is taking them to Lake Tahoe and then a tour of the United States enroute to Rhode Island where he will be stationed, she was wearing a blue light weight wool suit with a matching color hat of organza and white accessories.

The couple will arrive in Anderson, South Carolina, by July 5 on which day they will be honored with another reception hosted by the bridegroom's family.

Shirley attended Miss Hamlin's School in San Francisco before her family moved to the Peninsula after which she enrolled at Castilleja. She was graduated from the University of Colorado where she was a member of her mother's sorority, Chi Omega.

Last summer, she went abroad with Mr. and Mrs. Arthur Bell of Piedmont, and their daughter, Mary, and attended the American ambassador's Fourth of July reception. It was at the reception that she first met her prospective bridegroom.

Shirley's grandparents are Mrs. H. H. Bell and the late Dr. Bell of San Francisco, and the late Mr. and Mrs. James Arnott.

Ensign Pruitt was graduated from the University of North Carolina, where he received his master's degree in physics. He was a member of Sigma Chi fraternity. He has another two years of Navy service after which he will return to school to begin work on his Ph.D. degree.

'Musicalia' Set at Burgess Park Little Theatre July 6, 7

Two evenings of music are on the agenda for July 6 and 7 when a group of local area singers, dancers and actors will present a prevue of their talents at the Burgess Little Theatre.

Members of this new group cover the mid-peninsula from Belmont to San Jose and are known as "Musicalia." Their objective is to provide an outlet for singers, dancers and those interested in the musical arts wishing to appear publicly in operettas and Broadway musicals.

Many of the members are former professionals and an emphasis is being made on musical comedy and choreographic ability. Founders of the group include Roy Innes of Menlo Park, Rosalie Molenda of Atherton, Delores Kierig of Redwood City and Hal Brady, all former professionals, who are directing the show.

For their prevue production, the group will present "Musicalia Showcase" which will include brief scenes from operettas, musicals and opera. Music will be heard from "Madame Butterfly," "Carmen," "Student Prince," "Song of Norway," "South Pacific," "Kismet," and "The Great Waltz."

Among those who will be in the production, which opens both nights at 8:30 p.m., are Virginia Freye, Harriet Richards, Louise Hays, Doris Marion, Peggy DeBari, Josephine Raynal, Charles Richards, Sam Garfoli, John Rietman, Bill Gurley.

James Kason, Frank Corcoran, Bill Belk, Harley Boatsman, Charles Greenbaum, George Davis, Warren Moose, James Angelo, Zoe Kransfelder, Virginia Bryan, Lynne Boatsman, Anne Hawkes, Eleanore Taheeney, Virginia Bryan, Delores Petersen, Carol Blood.

Tickets may be purchased at Prein's in Menlo Park or by phoning for reservations to Mrs. Wilbur S. Gurley, DA 4-4215.

Two Menloites Listed Top Winners at Bridge Meet

Two Menlo Park residents were among those winners at the Monday night play of the Palo Alto Duplicate Bridge Club and included Mrs. Olive Koster and Albert R. Morgan.

Over-all winners were:

North-South: Mrs. T. N. Wyman and Mrs. Elliot Reid, first; Mr. and Mrs. James Davis, second; Morgan and Victor Vecsey, third; George McDougall and Murray Rich, fourth; Dr. Herbert Mankin and Ed Gellenbeck, fifth.

East-West; Mrs. L. Haminsky and Mrs. D. V. Schweickert, first; Mrs. Frank Rogers and Mrs. Marie Christmas, second; Mrs. L. M. Cook and C. C. McKellip, third; Mr. and Mrs. R. A. Longfellow, fourth, and tied for fifth, Mrs. Koster with Mary McCarthy, and Judy Borda with Alice Hopkins.

The weekly meetings are held each month Monday night at 7:30 p.m. at the East Palo Alto Women's Club. All bridge players with fewer than 20 master points are welcomed.

FLORIDA IS THEIR NEW HOME

AT HOME NOW IN FLORIDA are the justwed Mr. and Mrs. John T. Gillis (Roberta Mae Edmunds), who were married late last month at the First Lutheran Church of Palo Alto. Both John and Roberta are alumni of Menlo-Atherton high school; the recent bridegroom is currently with the air force, stationed in Miami.

What's Doing Among Menlo Park Teen-Agers

Jo Booth DA 3-1909

Summer got off to a dull thud with about three parties last week—but who can blame the person who prefers lying out in the sun to worrying about a party? (Good rationalization there, eh?)

By all means one of the most lively of those three parties was the one given in honor of **Barbara Hollander**, with seven hostesses, no less!

The day started off bright and early for those involved—6 a.m., to be precise, when the guests were rounded up for a kidnap breakfast at **Betsy Kimball**'s home. We might add that she was aided in her plans by **Sue Hall** and **Carolyn Carson**, and between the three, they cooked up some delicious food! Rolls, eggs and coffee loaded the table, and Barbara was the surprised recipient of a big cake reading "Good luck but not goodbye" . . . (in case this isn't clear, she'll be leaving soon for school in Los Angeles).

Among the many hungry females were **Peg McDowell, Debbie Wallace, Leslie Keck, Beth Rosener, Betsy Concannon, Bobbi Link, Sheri Adams, Judy Klink, Pat Gullison, Liz Gullison, Carol Hamman, Betsy Hayner, Sharon Hamilton, Vicki James, Judie Hicks, Lynda Scott, Elise Monasch, Bev Crofts, Barbara Buckles** and **Joanne Johnson.**

Ah, but we haven't finished! That night, at 7, Barbara received a surprise visit from her friends, and was blindfolded and led to the home of **Beth Rosener** for a delicious dinner! Steak, scalloped potatoes, watermelon — anything you could wish for was served by the hostess and co-planner **Judie Hicks**. After a stomach-stuffing meal the guests charged on to **Debbie Wallace's**, where she and **Sheri Adams** had fixed up a dance. Cards, records, food and, at 12 o'clock, pizza made the evening flit past.

And the guests for this included **Carolyn Carson, Pete Graham, Sue Hall, Pete Vandervoort, Gary DeGive, Beth Rosener, George Davis, Barbara Walt, Keith Vaughn, Judie Hicks, Bud Corson, John Symon, Betsy Kimball** and **Hank Rullhausen.**

* * *

Santa Cruz offers many pleasant attractions, but one of the most popular is, of course, the Boardwalk. Enjoying all the rides and the sights were **Dave Easley, Jo Broeren, Dave Sandquist, Rhoda Maxfield, Dan Varty, Sally Flanagan, Howard White** and **Deanna Stone.**

* * *

Time for a few TRAVEL NOTES—from such places as . . .

. . . the middle of the ocean, where aboard a ship bound for France are **Lana** and **Sue Legallet.** Sue writes they'll spend a week in Paris and adds, "I had an okay time in New York, but S.F. is much better."

. . . Mexico and southern California, from which **Sue Lampman** has just returned. Not alone though—her cousin, **Joan Billings,** has come up with them to spend some time here.

. . . Lake Tahoe, where, among other people you could have seen **Bill Miller, Greig Gewdy, Garth Stevick** and **Al Eames.** Weather report—still snow, but nice!

* * *

An annual summer project for the members of the Westminster Fellowship is working with migrants in a camp near Alviso. As a preparation for the once a week sessions, 25 kids journeyed to Los Gatos to learn techniques in teaching the kids fingerpainting, games, etc. On the list were:

Lindsey King, Dotty Grove, Skip Crawford, Bill Miller, Leo Tscharner, Connie Kent, Lynn Silverman, Cathy Davis, Gord Plaisted, Deanna Stone, Jim Step, Keith Holieuffer, Ann Christie, Dick Aced, Betty Aced, Donna Chadwick, Sally Mixter, Sandy Dill, Martha Sleeper, Linda Allio, Hugh Irwin, Cathy Crawford, Carol Crawford, Dave Sox, Kathy Bill, Judy Coleman.

WHO'S WORKING WHERE department—

If anybody wants to take swimming lessons they'll find plenty of M-A students ready to help them! At the rec center in Redwood City, kids gain instruction from **Peg McDowell** and **Bea Bowen. Howie Anawalt, Sue Samuels** and **Tom O'Neill** help at another pool, and at M-A proper, you'll see, among others, **Mr. Polon, Mr. Lugonja, Mr. Loftus, Arline Cottrell** and **Barbara Dickman.**

SRI employs **Nancy McDowell,** an dthe Palo Alto Clinic is helped by **Helen Burgess.**

Behind the counter of a local coffee shop you'll find **Donna Newport** and **Nancy Van Artsdale** . . . **Ann Bartells** works at a nursery (kids, not plants) . . . **Ramona McIntosh** is back in M-A—as a secretary, that is! . . . and **Jeff James** is down in Catalina, working at a resort (this is work?).

* * *

For that third and final party (you say you couldn't find the second?), we bring you **Peg McDowell's** and **Carol Drury's!** Barbequed hot dogs tasted mighty good down at Bean Hollow, where the gang not only devoured them, but all the snacks, too! Sandy but lively, they then invaded Carol's for games, dancing and relaxing.

In that group were **John Olson, Adrian Ledda, Penny Duerr, Kenny Williams, Beth Rosener, Pete Vandervoort, Betsy Kimball, Hank Rullhausen, Judie Hicks, Bud Corson, Barbara Hollander, Frank Tripiano, Leslie Keck** and **Dick Peeric.**

Don't forget—if you give a party, get one or hear of one, phone DA 3-1909 immediately, if not sooner!

* * *

If the former ruler of Russia was called a Czar, and his wife was a Czarina, what were his kids named?

Ladera School Teacher Weds Last Saturday

Eleanor Henderson, the fourth grade teacher at Ladera School, was married last Saturday to Russell A. Cannon at the First Congregational Church in Redwood City followed by a reception at the home of her uncle and aunt, Mr. and Mrs. Frank L. Gray in Atherton.

Eleanor chose for her 4 o'clock wedding a gown styled with a Chantilly lace bodice, short sleeves and bouffant skirt of nylon tulle ending in a chapel length train. The train was edged with lace.

Nancy Williams of Fresno was the bridal attendant and chose a gown of plum crystallette over pink taffeta. J. R. Cannon of Wallingford, Connecticut, stood as best man for his son and ushers were Tom Dunlap of Santa Cruz and Edward Karrer of Fresno.

The bride's parents, Mr. and Mrs. James E. Henderson of Kirkwood, Missouri, were here for the wedding and Mr. Henderson escorted his daughter to the altar.

Mrs. Henderson chose a sheath dress of beige eyelet over taffeta. Mrs. Cannon wore navy blue lace with pink accessories.

After the reception hours at the Gray home, the couple left for a wedding trip to Carmel. Upon their return, they will reside in Palo Alto.

Eleanor is a graduate of Southern Methodist University at Dallas, Texas, and is a member of Sigma Kappa sorority. She has a sister, Jean Henderson, who is teaching in France.

Russell is attending San Jose State College where he is a member of Theta Xi. He also attended the University of Connecticut and served four years in the Air Force, and will return to San Jose in the fall. He has two brothers, Roy and Jack Cannon.

Junior Museum Installs Corps Of Officers

New officers were installed recently for the San Mateo County Junior Museum Auxiliary when members met at the home of Mrs. Frank Lynn of Hillsborough for a box luncheon in the gardens and a dip in the pool.

Mrs. W. D. Maus Jr. of San Mateo was installed president; Mrs. Frank B. Perkins, vice-president; Mrs. Eugene Hundley, recording secretary; Mrs. Bruce Thomas, corresponding secretary, all of San Mateo; and Mrs. Mervyn Wagenheim, of Burlingame, treasurer. Mrs. Dan Robertson of Atherton will continue as the publicity chairman.

The Junior Museum, which is open each day from 9 a.m. to 5 p.m., except Sunday mornings and Monday, has attracted close to 100,000 visitors since its inception in August, 1954. Its animal-lending library is being used by hundreds of schools and individuals throughout the county. The Museum is supported entirely by memberships, fund-raising projects, and through San Mateo county schools.

At yesterday's meeting, Mrs. Florian McGuire Moore of Hillsborough reported on the recent "Spring Safari," recent homes tour and fashion spectacular. Proceeds from the project have been turned over to the Junior Museum at Coyote Point which will attract youngsters during summer with its live animal and marine life displays, diorama exhibits, book and gift store and science classes for all age levels.

Holds Final Card Party

Closing activities for the season the East Palo Alto Women's club will hold a card party this Saturday night, June 30 at the women's clubhouse, Bay road at Oakwood drive, beginning at 7:30 p.m.

Mrs. Frank Brown is chairman of the evening, assisted by Mrs. Dewey Lang and Mrs. Walter Pfeffer. The trio have gathered a great variety of prizes, from food to hand made articles.

The 50 cent score cards include homemade cake and coffee.

Proceeds from the affair will be used for the club's building fund. The public is invited to attend.

WED AT JUNE 17TH CEREMONY

THE INITIAL CUT of the wedding cake was made by Mr. and Mrs. Jack Lee Montgomery (Karin Johnsson) at the reception following their marriage at Sveadal in the Santa Cruz mountains. The bride is the daughter of Mr. and Mrs. Nils Johnsson of Woodside. The benedict is the son of Mr. and Mrs. F. H. Montgomery of Half Moon Bay. —Photo by Smith-Hawaii

RFD Thursday:

Homecoming, Fete For Owen Jamisons

Another of the interesting homes on the Hooper estate belongs to **Arthur Hooper** whose daughter **Peggy (Mrs. Owen Jamison)** also owns a summer residence adjoining. The Arthur Hooper home was the setting for a recent party to celebrate the 15th wedding anniversary of the Jamisons and also to welcome home the young couple from a recent trip abroad.

Lighted torches formed the background for the gay evening which lasted well into the early morning hours.

Neighbors attending were the **John A. Hoopers,** who entertained beforehand at a small dinner party at their summer residence to ward the south . . . the **Frank Hoopers Jr. (Sally Walker)** whose house adjoins on the north.

Other neighbors included the **Antoine Bovets,** who recently returned from a motor trip east with their daughter, **Nini,** one of last year's debs . . . the **Douglas Carvers,** who have as their house-guest her mother, **Mrs. Margaret Chamberlain** of Cuernavaca.

Other near neighbors included **Dr. and Mrs. Peter Talbot** . . . the **Charles Wilsons Jr.,** who are visiting his mother, **Mrs. Wilson,** who also has a home on the Hooper estate . . . the **Robert Gills** . . . some of the **Fay** clan, the **C. C. McGettigans** and **Jean Fay Webster** . . . the **Adam Mustos.**

And still others attending . . . the **Oliver Lombardis** down from San Rafael and the **Carlton Hartnesses** down from Burlingame and all having backgrounds in Woodside. Mrs. Lombardi is a sister of **Mrs. W. W. Mein Jr.,** who was also there with her husband. Mrs. Hartness was the former **Leone Weeks** whose father **Dr. Allison Weeks and Mrs. Weeks** make their home in the **Frank Ingersoll** residence on Kings Mountain road.

Among other old friends at the Jamison celebration were the **Selah Chamberlains Jr.** . . . the **Peter Gallaghers** . . . the **William Lowes** . . . the **Ward Laws** . . . the **Richard Marshalls** . . . the **Peter McBeans.**

* * *

Leaving for the Tahoe area this month for their usual summer trek will be the **Launce Gambles** who, by the way, hosted a dinner party last Saturday night, and who will be accompanied to Tahoe by their two sons, **Lance and George.** The young men are motor boat racing enthusiasts and will probably take part in the annual July 4th races on the lake, as is their custom.

Also racing will be the **Alfred Ducatos'** sons, **John** and **Al** . . . the Ducato summer place is adjoining the Gambles.

Others from here on the lake will be the **Meins** . . . the **Charles deBrettvilles** . . . **Dr. and Mrs. Horace Jones** of Los Gatos, at their place in Glenbrook . . . the **Bruce Kelhams,** former Woodside residents . . . and also the **Oscar Hexoms.**

The "Mr. and Mrs. Bridge" group members of the Menlo-Atherton Newcomers Club will meet at the Stanford Women's Club on Stanford campus tomorrow night at 7:30 p.m. Further information may be obtained by calling Mrs. Duncan E. Williams, DA 4-2196, or Mrs. Edward M. Harbordt, DA 5-1743.

TENTATIVE PLANS for a wedding next February have been made by Bilma Anne Quesada of San Mateo and Edward J. Gallagher of Burlingame. The future benedict is the brother of the Rev. Thomas B. Gallagher of St. Patrick's Seminary here.

Editor Speaks Today At Little House Meet

Members of Little House, 800 Middle avenue, will hear Bruce Bliven, newspaper editor and author today at 2:15 p.m. when he will speak on "How to Read Your Newspaper."

The speaker has had a long and active career in journalism and authorship and is currently at Stanford University writing a new book for which he is doing research at the Hoover War Library.

The monthly council meeting for Little House will be held Tuesday evening, July 3, at 7 p.m.

There will be no scheduled activities at Little House on Wednesday, July 4.

The schedule for this week and next will be:

TODAY: 9:30-11:30 p.m. housing and employment counseling; 10 a.m. conversational French, round table; Millinery class; 2:15 p.m. program, "How to Read Your Newspaper"—Bruce Bliven; 7:15 p.m. choral group; 7:30 p.m. woodworking class and project instruction.

TOMORROW: 9:30-11:30 a.m. housing and employment counseling; 10 a.m. water color painting (discontinued for summer); weaving instruction; 1 p.m. ceramic class; 1:30 p.m. bazaar crafts; 2 p.m. chess; 7:3 0p.m. bridge and canasta.

SATURDAY, JUNE 30: 9-12 p.m. furniture making and refinishing; 2 p.m. pinochle and checkers; 7:30 p.m. dancing party.

SUNDAY, JULY 1: 11 a.m. to 5 p.m. open house.

MONDAY, JULY 2: 9:30-11:30 a.m. housing and employment counseling; 9:30-12:30 p.m. dressmaking class; 1 p.m. ceramic firing; lampshade class; metalcraft class; 7:30 p.m. square and folk dance instruction.

TUESDAY, JULY 3: 9:30-11:30 a.m. housing and employment counseling; 9:30 a.m. leathercraft class; 10 a.m. weaving instruction; 1 p.m. oil painting class; bazaar sewing group; 2 p.m. chess; 3 p.m. conversational Spanish class; 7 p.m. council meeting; 7:30 p.m. bridge and canasta.

WEDNESDAY, July 4: Holiday.

Little House is a senior activity center for those in the area over 50 years of age and is sponsored by he Peninsula Volunteers, Inc. For further information, phone DA 3-1787.

Mary Elizabeth Littler Bride of Philip Diether

A home in Palo Alto is being established by Mr. and Mrs. Philip Anthony Diether (Mary Elizabeth Littler) who were married recently at the Atherton home of her parents, Mr. and Mrs. Robert Littler.

The garden of the Littler home was the setting for the late afternoon wedding ceremony attended by family members and the couple's close friends. The Rev. F. Danford Lion of Palo Alto's Unitarian Church officiated.

Given in marriage by her father, the bride chose a white ballerina length gown fashioned with a tulle and Chantilly lace bodice, sweetheart neckline and short sleeves. The skirt had a white insert of lace and wide hemline of permanently pleated tulle over taffeta.

She wore a wreath of flowers in her hair and carried an old fashioned nosegay of white roses, white sweetpeas and stephanotis.

Grace Gyer of Oakland, the bride's cousin, was the only attendant and wore an organdy ballerina length dress in pink print styled with a cowl neckline and green velvet bow tied in the back. She also wore a floral wreath in her hair and carried a nosegay of small pink roses.

David Nitzan of Berkeley stood as best man.

As the couple left on their wedding trip, the bride was wearing a black and white linen suit with red accessories.

The new Mrs. Diether was graduated from Palo Alto High School and received her AB degree at Stanford. She just received her teaching credential at Cal and will teach at Belmont Elementary School next fall.

Phil attended Stanford before interrupting his studies to serve with the army at the Presidio in Monterey for two years. He will return to Stanford in the fall to resume his studies in engineering. He is the son of the late Mr. Diether. Mrs. David Wayland of Beverly Hills, is his sister.

June Conner Honored at Bridal Shower

Miss June Conner, who will be the June 21 bride of Fred S. Peterson, was honored recently with a kitchen shower hostessed by Mrs. Joseph P. Alvers at her home on Partridge avenue.

A large cake, frosted in pink and red and decorated with two large hearts inscribed "Fred and June" set the decor note. Arrangements of red roses and pink carnations were also used for the party setting.

Those bid to honor June were her mother, Mrs. Allen R. Conner, and Mrs. John Oliver, Mrs. John Kerns, Mrs. Ray Beckett, Mrs. Betty Sebring, Mrs. Edna Strawbridge, Mrs. Thomas DeWeese, Mrs. Herman Erpenstein, Mrs. Otis Sathery, Mrs. Ellis, Mrs. Oren Gill, Mrs. Richard Alves, Mrs. Ernest Berg, Mrs. Lydia Petersen, Mrs. Ray Forrest, Mrs. James Ruhlman, Miss Beverly Tusler and Miss Barbara Beckett.

Mrs. Ruhlman will attend June as matron of honor and Miss Tusler will be the maid of honor. Miss Alice Oliver will be the bridesmaid. The wedding will be held at Stanford Chapel with the reception to follow at Bowman Alumni House on the campus.

Angelo Scutero To Claim Bride This Saturday

Wedding bells will ring this Saturday for a member of Battery D, National Guard of Menlo Park, when Angelo C. Scutero will claim as his bride Regina Louise Plath.

The bride-elect is the daughter of Mr. and Mrs. Christian C. Plath of Redwood City and Angelo is the son of Mrs. Emma Scutero and Angelo N. Scutero, also of Redwood City.

On August 4, Regina's brother, William F. Plath, will wed Donna Carol Morris of Menlo Park at the same church. Donna will be one of the bridesmaids at this Saturday's wedding and Regina will be a member of the wedding party at Donna's wedding.

Regina was graduated from Notre Dame High School in Belmont this month and is a member of the Catholic Daughters of America.

26th District To Install at July 13 Meet

With July 13 set as installation date, the following officers were elected to serve during the next year by the 26th district of the American Legion Auxiliary.

Mrs. Leslie Hill, president; Mrs. Paul R. Connolly, first vice-president; Mrs. C. R. Clark, second vice-president.

Mrs. Robert Herrick, present district president, will represent the 26th district as a delegate to the National convention of the American Legion Auxiliary in Los Angeles on September 3. Mrs. Roy Henderson will accompany her as alternate.

M-A Graduate Tells Engagement at Party

TWO EAST PALO ALTANS who plan a wedding in the future are **Patty Nolan** and **Bob Harper**. The young couple announced their engagement at Senior festivities following Pat's graduation from Menlo-Atherton high school on June 15.
—Ravenswood Post photo

Although Patty Nolan and Bob Harper have been neighbors for years, it wasn't until a ski trip last April that they became aware of each other and that romance blossomed.

Patty went on the skiing party to Badger pass with some girl friends. Bob was inviegled into attending by Al Raynal and Al is given credit by both for playing "cupid".

Just before Patty graduated from Menlo-Atherton High school June 15, Bob slipped a diamond ring on her third finger-left and that night, at the Senior Party, pretty Patty blushingly announced her engagement to Bob to her fellow classmates.

Bob graduated from Sequoia in 1952 where he excelled in football, wrestling, gymnastics and swimming. Locally he has been a member, on and off, of the Ravenswood Jumping Jacks. Last fall he returned from three years service as a paratrooper, to enter San Mateo Junior college. He plans to major in recreation.

Patty served on the board of welfare at M-A during her senior year, was a member of MAGA, club 3 and of Tri-Y.

Both of the young people come from large families. Patty is the daughter of Mr. and Mrs. Richard Nolan of Euclid avenue. Her brothers and sisters are Jim, Jack, Dick, Mickey, Cathie, Bobbie, Jerrie, Laurie, Linda and Kennie.

Bob is the son of Mrs. Thomas Wirta of Runnymede street. His brothers and sisters are Carl, Peggy, Bill, Helen, Lloyd, Jean, Calvin, Jack, Don and Maxine.

Although they have not set a date as yet, the couple will gain experience, wedding-wise on July 8 for Bob will serve as best man and Patty will be maid of honor when Jim McCabe and Janet Gomes exchange vows at St. Francis church.

Linden-Hall Nuptials Set This Saturday

Right at noon, this Saturday, June 30, Kathleen H. Linden will become Mrs. Rodney J. Hall at ceremonies conducted by Father Richard T. Howley and Father William J. Mullen of St. Basil's church in Vallejo in St. Francis of Assisi church.

Kathleen has chosen her sister Diane to be her maid of honor, her sister Marianne as junior bridesmaid and Pat Girvin as her third attendant.

Bill Clark will serve as best man for his friend, Rod. Don Willett of San Jose State and Pete Du Bois, of U.C.L.A. will seat the expected 100 guests.

Clarence M. Linden, Kathleen's father, will give her in marriage.

A reception at the East Palo Alto Women's club on Bay road at Oakwood drive will follow.

Kathleen is the daughter of Mr. and Mrs. Clarence Linden of Palo Alto Gardens. Besides her two sisters, she has two younger brothers, Michael and Thomas. She graduated from Menlo-Atherton High school on June 15 and is currently working in the applied electronics research laboratory at Stanford. She is a member of Alpha Omega Catholic club of Palo Alto.

Rodney is the son of Mr. and Mrs. John B. Hall of Palo Alto. He has one brother, Michael. Rod graduated from Palo Alto High school in 1954 and has just received his associate of arts degree from Menlo College this June.

Home Economics Group to Hold Lunch Meeting

At noon today members of the East Palo Alto Grange Home economics section will gather at the home of Mrs. Syd Goodnow, 2337 Dumbarton avenue.

A 65 cent luncheon will be served. Anyone wishing to attend the luncheon may phone Mrs. Goodnow, DA 2-6098, and make reservation—no lunches will be served without one, Mrs. Goodnow says.

Following the luncheon the regular monthly meeting of the group will take place with Mrs. Eric Davies, chairman, presiding. On the agenda will be a discussion of the part the women will play in the San Mateo County Fiesta in August.

Former EPA Girl Tells of July 21 Plans

DORIS BRINGHURST

Mr. and Mrs. Elden Bringhurst announce the engagement and impending marriage of their daughter, Doris, who has set July 21 as the day she will exchange vows with Joseph Paul Mees of San Jose.

The engagement of the pair was announced early in June at a family dinner at the Bringhurst home on Harvest road. Among the guests who learned of the romance were Doris' grandmother, Mrs. Matilda Hedberg of San Francisco, her uncle, aunt and family, the Carl Hedbergs of Burley, Idaho, two more uncles and aunts from the City, Mr. and Mrs. Joseph Clokey and Mr. and Mrs. Mearl Bidwell.

Also her brother William Bringhurst, who is just out of the service, her brother Second Lieutenant Gerald Bringhurst who is stationed at Fort Ord and her brother-in-law and sister, Mr. and Mrs. James Spaulding.

Doris and her family are former East Palo Altans. She is a graduate of Sequoia Union High school and attended Brigham Young University in Utah. At present she is employed at Progress Lumber company.

Her fiance is the son of Mrs. Marie Mees and the late George Mees of Fairbury, Nebraska. He has a brother Donald Mees of Denver, Colorado, a brother Gene Mees of Fairbury and a sister, Mrs. Harold Seigel, who also resides in Fairbury. He completed four years in the U.S. navy and was stationed for a time at Moffett Field. He is employed by International Business Machines in San Jose.

The young couple met in San Jose through a former classmate of Doris', Mrs. Frances Arnold.

They plan to exchange vows in St. Joseph Catholic Church in Mountain View.

Convalescent Home Takes Spotlight at Live TV Show

By PROXY

Technicians busy at work . . . Auxiliary members checking last minute details . . . all provided an interesting and enjoyable evening last Thursday when the six Auxiliaries to the Stanford Convalescent Home appeared on the TV "Success Story" show which originated from the Allied Arts Guild.

The audience, seated in Cervantes Court to provide the background for the final scene of the show, were Auxiliary members, their husbands and invited guests . . . the feminine contingent amused with the request that they remove any sparkling jewelry and buttons which might throw a glistening reflection when caught by the TV cameras.

Among the Woodside-Atherton Auxiliary members appearing during the half-hour show . . . **Mrs. Frank Nye, Mrs. George Reid** and **Mrs. James Ransohoff,** shown doing a floral arrangement in the Traditional Shop.

Among those enjoying dessert in Cervantes Court . . . **Dr. and Mrs. James H. Flippen** . . . **Mr. and Mrs. Robert Rothschild** . . . **Mr. and Mrs. David Phillips** . . . **Mrs. Francis North** . . . the **Wallace Otts** . . . the **Richard Johnsons** . . . **Mrs. Floyd Davidson** and son, **Barry,** who were later joined by **Captain Davidson.**

* * * *

A welcome home was in order at the **Roy L. Young** residence on Victoria drive in Atherton for their daughter and son-in-law, **Mr. and Mrs. Robert Wray Smith,** and their young infant, **Robert Wray Smith Jr.,** who arrived here from Fort Worth, Texas.

Mrs. Smith will be remembered as **"Marita" Young** . . . and she and her husband are establishing their home in San Francisco while he goes to Cal's summer school to work toward his master's degree in mathematics. For the past two years, Bob has been teaching calculus at Fort Bliss.

A "goodbye" will be made this Saturday to Marita's twin brother, **Michael R. Young,** who will report as a second lieutenant stationed at Fort Bliss. He was graduated June 17 from the University of San Francisco.

The Youngs have another son, **Paul,** who attends Serra high school in San Mateo.

* * * *

Among the many parties preceding the lovely church wedding and garden reception for **Shirley Arnott** and **Ensign W. Bruce Pruitt** last Saturday was the one hostessed by two of Shirley's attendants, **Miss Mary Bell** of Piedmont and **Miss Suzanne E. Bell** of Santa Barbara, the latter a cousin of the bride's.

The shower took place at the Claremont Country club in Oakland and was attended by former classmates, relatives and family friends.

Two other attendants, **Mrs. Gerald Down** and **Miss Mollie Bray,** also entertained for Shirley . . . and the bride-elect's uncle and aunt, **Mr. and Mrs. Fred C. Rudisill,** were host and hostess for the wedding rehearsal dinner for members of the wedding party and relatives.

Shopping in Menlo

with MERRIE PARKER

Summertime is fun time and while the "big girls" are dressing in cool and fresh looking sundresses, there are the little girls who want to dress up "just like Mommy."

We saw an array of colorful dresses at **Mary's Stork to Teen Shop** which would make our young misses look pretty as a picture . . . and most of the dresses are in wonderful no-ironing material. These sundresses are trimmed with rickrack, some with ruffles, others with full skirts . . . and priced from $2.98 up. A wonderful selection in solid colors or in prints and just right, these wonderful summer days, for dress-up or casual doings.

When weekends come around, you Moms are probably hearing a lot of "let's go on a picnic" . . . and you think of all the work it's going to be to get together a picnic lunch for the outing. So that you can relax and have fun with the rest of the family . . . with no worries about forgetting the pickles or the salad . . . **Dudley's Kitchen** will prepare a wonderful picnic box lunch (for $1.00 each) with your choice of sandwiches, deviled eggs, pickles, potato salad (and what's a picnic without potato salad?) and even the spoons and napkins . . . everything you'll need for those hungry ones in your family. Dudley's also has fried chicken to include in your picnic spread.

And to go along with an afternoon of picnicking: a container for cold or hot beverages that is a family "must" and something you can use for many occasions. **Frane's** has a lightweight container that will keep your hot beverages "hot," and your cold beverages "cold." It has a snappy looking red and white check plastic covering . . . with a gleaming white interior . . . and a lifetime steel frame which makes it strong and sturdy. It's priced at $6.95, and with its matching red and white handles it's so easy to carry you'll find yourself using it many times during these summer months of outdoor living.

When your family heads for swimming—in pool or lake—don't forget to protect those tender feet. We saw just the item for barefoot days at **Zwierlein's Shoes:** all-rubber Japanese throng sandals . . . easy to slip into . . . easy to care for . . . and wonderful about the house and in the yard, too. Prices are $1.45 and $1.89 for all members in your family, the big ones and the little ones.

Sundresses, picnics and summer bootery all spell refreshing outings . . . but we don't want to forget about the men in the household and their needs for cool nights of sleeping. **Jerry's Store for Men** is featuring cool plisse Sleep Parts by Weldon that need no ironing . . . and in addition to being cool and easy to care for, Sleep Parts are especially popular for those men in the family who sleep in either the tops or the bottoms. With Sleep Parts, you can buy the half of the pajama set they use and you save waste and space. The pajama parts, which you can buy in various styles, start at $1.95.

Talking about such pleasant ways to spend the summer months, we hesitate to mention some of the work we all have to do around the house. But, we saw something at **Chaney's Paint and Wallpaper Store** that will certainly make that paint job you have in mind much easier.

The roller paint brush we saw is the modern, easy way to paint . . . the colors go on smoothly and in half the time and with half the work. The roller, handle and pan set start at $2.90 . . . the roller refills, which you can buy especially for flat wall paint, stucco for the interior surfaces, for enamels, or stippling, start at 76 cents. And to keep from straining those arm muscles as you reach to the top of the wall and the ceiling, there's an extension handle that will cut down time and work . . . and sore muscles.

Summer Faculty At Stanford Will Be Guests

The annual summer party given by the Stanford Faculty Women's Club to honor visiting summer faculty members will be held Tuesday, July 10, from 6 to 9 p.m. at Bowman Alumni House on the Stanford Campus.

A buffet dinner will be served outdoors followed by an informal program with Jack Triolo as master of ceremonies. The program will feature dances by a group of Mrs. Miriam Lidster's students.

All visiting summer faculty members and the residential faculty are invited to attend. Reservations are necessary and must be made by Friday, July 6. The reservations may be made by calling Miss Gwenn Haley, DA 3-2325.

The committee in charge of the event includes Mrs. George H. Houck, Mrs. John Nixon, Mrs. Barry Jensen and Mrs. Russell Kent. Mrs. James W. McBane, president, and Mrs. Frederick Terman, president-elect, of the Faculty Women's Club, will greet the guests.

Adult Sewers Model Clothes At Luncheon

Modeling the clothes that they made and enjoying a luncheon in the gardens of their instructor, Mrs. Henry Garton, the sewing classes of the Menlo-Atherton adult education department concluded the semester recently.

The classes have been conducted weekly at the East Palo Alto Community church for beginners, intermediate and advanced sewers.

Mr. and Mrs. Willard Bradley were guests. Bradley is principal of the adult education classes.

Mrs. Garton announces that if enough women are interested in a six-weeks summer sewing course, one will be conducted under the auspices of M-A. Those interested may phone the high school, DA 3-4145, or Mrs. Garton, DA 3-4251. Mrs. Garton cautions that there must be a good sign-up and attendance to get this class started.

RECENT BRIDAL PARTIES given here to compliment Dianne Reed of San Mateo and Robert Frew, who will wed this Saturday, was the one at the Harold Sanford home in Menlo Park. Mrs. Jack Phillips was co-hostess with Mrs. Sanford. Mrs. Henry Bray and her daughter, Mollie, of Atherton, also entertained at a luncheon and kitchen shower for Dianne.

NEWCOMERS MEETING

The general monthly meeting of the Menlo-Atherton Newcomers Club will be held Wednesday, July 11, at the Villa Chartier. A social hour will precede the luncheon set for 12:30 p.m.

Business and Professional Women's Club members have dispensed with their business meetings, held the second Tuesday of each month, until September 11.
